Trouble, She Says

MRS. NORA CONRAD

"Konjola was so effective in my case that it gave me almost immediate relief," says Mrs. Nora Conrad.

R. R. No. 5, Bloomington, Ind., "and now all trace of stomach and kidney trouble is gone."

"Dreadful gas pains and indigestion kept me in misery after every meal and sometimes my heart would beat so fast I thought any minute it would stop. Constipation made my condition all the worse and seemed to fill my system with poison. Finally, my kidneys became badly affected and I felt my suffering would never end."

"After the first few days, every dose of Konjola brought me closer to new health as I could feel the aches and pains gradually leaving my system. Now, my digestion is perfect, I am free of constipation and my kidneys are in good working order. No other medicine ever did this much for me and that's why I endorse Konjola to others."

Konjola is sold in Decatur at the Smith, Yager &amp; Falk drug store and by all the best druggists in all towns throughout this entire section.

Former Bluffton Woman  
Attempts Suicide In West

Bluffton, July 20.—A message received here today said that Mrs. Addie Powell, formerly of this city, who drank poison last Sunday night at Sandpoint, Idaho, in a suicidal attempt, is improving and is expected to recover.

She is reported to have attempted suicide after her husband, Vic Powell, former Fort Wayne traffic officer, deserted her at Sandpoint, driving away in their new automobile, purchased just before they left for the west on May 3.

The automobile was found abandoned at Spokane, but no trace of Powell was found.

It had been reported in dispatches from Idaho, that Mrs. Powell had said that her husband wrote a check for \$1,000 on her account on a Bluffton bank. No such check has appeared at the local bank and inquiry here disclosed that a request had been received here for an advancement to the Powells and that because the estate of the late Herschel Davis, former husband of Mrs. Powell, had not been adjusted, there was no money for an advancement. It was following the forwarding of such word that it was learned here that Powell had disappeared.

HOOVER RETURNS  
TO HOME STATEBy William Hutchinson,  
INS Staff Correspondent

Aboard Hoover Train, Sacramento, Calif., July 20.—Herbert Hoover, the first Californian ever nominated for the presidency, returned to his home state today on a mission of sorrow and with all "welcome home" festivities postponed until after the funeral of his father-in-law Charles D. Henry.

The Henry obsequies will be held at 2 o'clock this afternoon in the chapel of the Leland Stanford university, which both Mr. and Mrs. Hoover attended years ago.

The Hoover train swinging down out of the Sierra Nevada's early this morning past the famous California orchard country was running far ahead of its original schedule in order to get the republican nominee and his wife to their Palo Alto home in time to attend the funeral.

Receptions Ordered Abandoned

All receptions were ordered abandoned including a great welcome home celebration in San Francisco. His train was routed from Oakland via the Dunbarton bridge direct to Palo Alto where it was due at 9:45 this morning, thus avoiding a ferry boat ride across San Francisco Bay and all stops in that city.
