Another Hurricane Is Approaching Florida

Key West, Fla., August 13.—(U.P.)—A secondary tropical disturbance which developed after midnight south of Key West has passed northward into the gulf of Mexico near Cape Romano, 70 miles north of here, the weather bureau reported today.

H. B. Boyers local observer, said the disturbance was headed in the direction of Pensacola and Apalachicola on the north gulf coast.

The S. S. Standard radioed today it had weathered the storm, wind velocity of 80 miles an hour was reported by the steamer.

The S. S. Sea King reported winds of 75 miles an hour and heavy rains went off Cape Romano, but safely weathered.

Summitville.—(U.P.)—S. R. Williams, a farmer residing near here, today is recovering from injuries to his right arm. A hog on Williams farm attacked him badly lacerating his arm.

Woman 65 Years Old
Sees A City For First
Time; Visits New Albany

New Albany, Ind., Aug. 13.—(INS)—
Although 65 years old, Mrs. Alice McKnight, living on a farm 25 miles
west of here, had never visited a city
until she came here to spend Sunday
as the guest of Mr. and Mrs. Henry
Stadle.

The aged woman had never seen an
electric street car, heard a radio, visited
a movie or seen a house higher
than two stories.

"I didn't know a city was so wonderful," Mrs. McKnight exclaimed as
she was driven through town on a
sight seeing tour.

DUNKIRK MAN IS STABBED TO DEATH SUNDAY

(CONTINUED FROM PAGE ONE)

44, fireman at the Hart Gas company
at Dunkirk, and formerly of Hartford
City was dead here today from a terrible
wound behind the left ear, caused
by an ice pick, alleged to have been
wielded by Harry (Red) Garvin, of
Muncie, during a quarrel over a card
game. Garvin escaped, police said.

Mexican Flier Hops From Mexico City To Havana

Havana, Cuba, August 13.—(INS)—A
busy day of honors today confronted
Lieut. Col. Robert Fierro, Mexican
good will aviator who made a non-
stop flight from Mexico City to Havana.

The tentative program for the day
included a reception at the Presidential
Palace for the conferring of two
medals upon the aviator. One was the
insignia of the order of Carlos Manuel
de Cespedes and the other was a
medal sent to Havana by the Cuban
colony in Mexico City.

State Banks In Indiana Show Increase In Resources

Indianapolis, August 13.—(INS)—State
Bank Commissioner Luther F. Simons
reported today a substantial increase
in the total resources of all state
supervised banks and trust companies on
June 30, 1928, over the total for the
call of December 31, 1927

Highlights Of Hoover's Speech Of Acceptance

Stanford Stadium, Palo Alto, Calif.,
Aug. 13.—(U.P.)—Following are some of
the terse epigrams from the acceptance
speech of Herbert Hoover, the
Republican Presidential nominee.

"Our problems of the past seven
years have been problems of reconstruction,
our problems of the future
are problems of construction."

"It shall be an honest campaign;
every penny will be publicly accounted
for; it shall be a true campaign.
We shall use words to convey our
meaning, not to hide it."

"The poorhouse is vanishing from
us."

"At one time we demanded for our
workers a full dinner pail. Today we
demand larger comfort and greater
participation in life and leisure."

"The test of business is not its
size; the test is whether there is honest
competition, whether there is
integrity and usefulness of purpose."

"Government weakens the moment
that its integrity is even doubted."

"There must be no place for cynicism
in the creed of America."

"Racial progress marches upon the
feet of healthy and instructed children."

"A government that does not constantly
seek to live the ideals of its
young men and women falls short of
what the American people have a
right to expect and demand from it."

"Our foreign policy has one primary
object, and that is peace."

"We have no hates; we wish no
further possessions; we harbor no
military threats."

"We have fewer men in army uniform
today than we have in police
uniforms."

"I want to see our government
great both as an instrument and a
symbol of the nation's greatness."

"We must direct economic progress
in support of moral and spiritual
progress."

"Our party platform deals mainly
with economic problems, but our
nation is not an agglomeration of rail-
roads, of ships, of factories, of dynamo
or statistics. It is a nation of
homes, a nation of men, of women,
of children."

"Every man has the right to ask
of us whether the United States is a
better place for him, his wife and
his children to live in, because the
Republican party has conducted the
government for nearly eight years."

"Every woman has the right to
ask whether her life, her home, her
man's job, her hopes, her happiness,
will be better assured by the continu-
ance of the Republican party in
power."

Boys Use Bushes For Bath House; Women And Girls Embarrassed

Greenfield, Ind., Aug. 13.—(INS)—
Women and girls are being em-
barrassed by young boys clad only in
smiles while changing from their
street clothes to bathing suits in the
bushes of Riley Park here, accord-
ing to complaints made to author-
ities here.

Several ladies who have been
shocked by seeing nude boys in the
park have started a movement for
a bath house cannot be had, the wom-
en want the local authorities to keep
boys from stripping themselves in the
park bushes.

The complainants pointed out that
it was very embarrassing for girls
and women to go to the park and see
naked boys disporting themselves be-
hind straggling bushes.

The park is near the famous Riley
swimming hole where in the good old
days bathing suits were not needed
by the boys of Riley's days.

Fort Wayne Man Killed In Automobile Accident

Columbia City, August 13.—(INS)—
Harry Bax, 24, of Fort Wayne, was killed
and two of his companions, George
Troutman, 25, and Haskell Love, 35,
also of Fort Wayne, were injured,
when their automobile collided with
one driven by Roy Adams, 21, of Hunt-
ington, at an intersection of the Illi-
nois road, about six miles south of
here. Adams and his fiancée, Miss Edna
Brown, of Huntington, also were injured.
All the injured will recover it was
said at a local hospital where they
were taken.

VALUATIONS IN COUNTY LOWER

(CONTINUED FROM PAGE ONE)

Decatur's assessed valuation this
year is \$6,418,140, as compared with
\$6,644,510, a loss of \$226,370.

Berne's assessed valuation is \$2-
387,410 as compared with \$2,515,740.

Geneva's assessed valuation is
\$594,770, as compared with \$697,440.

Monroe's assessed valuation is
\$298,770 as compared with \$330,340.

The valuations in the townships,
including the figures for the towns
within the townships, follow: Union,
\$1,422,160; Root, \$2,918,500; Preble,
\$2,102,840; Kirkland, \$1,749,560;
Washington, \$9,012,590; St. Marys,
\$1,963,960; Blue Creek, \$1,394,950;
Monroe, \$5,372,680; French, \$1,534,
830; Hartford, \$1,583,980; Wabash,
\$2,549,050; Jefferson, \$1,305,860.

The county board of review refused
to place the increases on real estate
and improvements ordered by the
state board of tax commissioners. The
increases totaled approximately
\$1,100,000 and it is likely that the
state board will mandate the county
auditor to make the changes.

With a lower valuation throughout
the county and in the towns in the
county, it is indicated that the tax
levies in these taxing units will be
higher this year than a year ago.

Ray Souders Remains In Serious Condition

Detroit, Aug. 13.—(U.P.)—Ray Souders,
Lafayette, Ind., racing driver,
who was injured during the 150-mile
Knights' Temple auto race here July
15, is in a serious condition at High-
land park hospital and may not re-
cover, it was said today.

Souders was unconscious for several
days after his car rolled over on
him and has been comatose for the
past week.

Think Note Signed "Roald Amundsen" Is A Hoax

Amsterdam, August 13.—(INS)—A
bottle was washed ashore today at Rot-
terdam, Bottom Island, containing
a message signed "Roald Amundsen",
but believed to be a hoax.

The message in the bottle follows:
"Latham one point seven point 28
degrees 23 minutes east.
Roald Amundsen."

Belief that the message is false was
based upon the fact that the writer
failed to give both Latitude and Lon-
gitude. It is thought that Amundsen
acted if he had actually written the
note.

The explorer was in a French Lat-
han seaplane when he disappeared
with five companions in June.
