SUFFERED KIDNEY
TROUBLES FOR 19
YEARS; NOW WELL

Konjola Also Relieved Her Of
A Bad Case Of Stomach
Trouble

MRS. MARGARET SMITH
"This Konjola brought me back to health at a time when I thought nothing in the world would ever help me," said Mrs. Margaret Smith, R.R. 2, Bedford, Ind.

"For 19 years I was sick, always weak and rundown, and never able to stand much work or excitement. Most of my trouble was due to weak kidneys. There was always a dull, aching feeling in the small of my back and I was subject to frequent night risings. Besides this a disordered stomach added to my miseries. I tried everything for relief, but Konjola is the first medicine to really end my health troubles.

"It was surprising how quickly this remedy relieved my long years of suffering. First the stomach pains disappeared and my appetite increased. As I kept on with Konjola, the back pains disappeared and my kidneys began to act natural again. A new feeling has come over my whole system and I have more energy to do my work. Yes, I owe my health entirely to Konjola."

Konjola is sold in Decatur, Ind., at Smith, Yager & Falk's drug store, and by all the best druggists throughout this entire section.

Here's A Worth While Deal

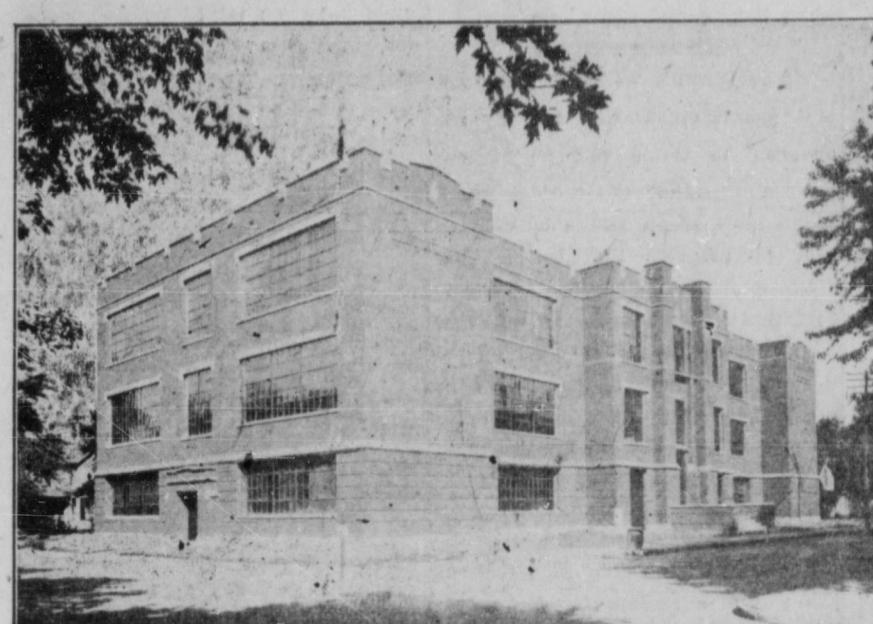

You have said and promised yourself that sooner or later you intended to buy an electric refrigerator—one of the greatest conveniences in any home. A real luxury. After a great deal of discussion and thought on the subject we—along with The Servel Refrigerator Company—have decided to sell 5 refrigerators in Decatur on an advertising basis—to better show and prove the worth of Servel's 5 machines only. Come to our Store and look these beautiful machines over. Price or profit in this matter does not count. We intend to sell 5 Servel Electric Refrigerators to the first 5 interested parties.

Terms and prices will and must suit the buyer.

Servels are manufactured and guaranteed by one of the older and largest manufacturers of electrical refrigerators in the business.

WE SAVE YOU MONEY

Keep The Boys and Girls In School

We Invite You To Enroll In The Decatur High School

**To the Parents of High
School Boys and Girls...**

Parents of today realize and fully appreciate the importance of a High School Education for their boys and girls. Education is a necessity for all—not the privilege of a favored few. Decatur offers them the advantages of a commissioned and first grade high school.

The Decatur school board extends an invitation to parents and students in townships not maintaining a high school to make use of the courses of study and the complete facilities offered by the Decatur high school. There is plenty of room, a thoroughly trained faculty, modern equipment in all the training courses and approved courses of study that include everything now taught in a progressive high school.

We particularly call your attention to the advantages of our Commercial course, the Manual Training department and Domestic Science departments, Art and Music departments.

Last year more than 280 boys and girls enrolled in the Decatur high school. These boys and girls enrolled in our school because of the superior advantages offered by the varied curricula and the recognition given to Decatur high school credits by institutions of higher learning.

The Decatur school board offers the following departments in the High School for the acceptance and benefit of all students:

Academic, General and Commercial

School opens Tuesday, September 4th, at 8:00 a. m. For information concerning the courses of study or condition of enrollment, write or call, M. F. Worthman, superintendent, or Walter J. Krick, principal. Enrollments should be made by August 30, 31 or September 1, for the fall semester.
