South Bend Lady Tells How Konjola Ended Three Years of Intense Suffering

MISS ETHEL BOWERS

"The greatest medicine ever sold," says Miss Ethel Bowers, 202 East Broadway, South Bend, Ind., of Konjola, the new remedy that is establishing a most astounding record of relief in cases of stomach, liver, kidney and bowel troubles, as well as neuritis and rheumatism.

"Constant backache, from weak kidneys," continues Miss Bowers, "made me almost a nervous wreck. My sleep was broken by frequent risings; constipation was aggravated; spots appeared before my eyes, and nothing I tried helped me in the least."

"I heard of Konjola, but had little faith. Yet I knew that I must have relief. To my astonishment and delight the very first bottle of this celebrated compound did me a world of good. The second bottle routed all my health troubles and my pains. My skin has cleared; my eyes are bright, and I am happy in the possession of health again. All hail, Konjola."

Konjola is sold in Decatur, Ind., at Smith, Yager & Falk's drug store, and by all the best druggists in all towns throughout this entire section.
