GIVES SHOWER FOR RECENT BRIDE

Misses Etola Gattshall, Laura Stan-
ley and Mable Staley were hostesses at
a pretty post nuptial shower, Wednes-
day evening, at the James Gattshall
home on First street, complimentary to
Mrs. Fred Stauffer, formerly Miss
Reva Hammond, a bride of recent date.
The color scheme of yellow and
white was carried out in the home and
floral decorations, yellow marigolds
lending their color to the attractive
setting. During the early evening hours
ten games of Bunco were played, the
prizes being awarded to Miss Wilhe-
mina Schmitz and Miss Catherine Dix-
son, who presented them to Mrs.
Stauffer. The guests were then con-
ducted to the front parlor where an
observation contest, "My Working
Basket," and "A Man's Tool Kit" con-
tests provided much merriment. As a
result of this, Miss Helen Gerber, Wil-
hemina Schmitz and Catherine Dixson
were privileged with presenting the
honor guest with lovely prizes.

Mrs. Stauffer was then conducted
to the library table where she found
a wealth of lovely gifts awaiting her,
features of the miscellaneous shower
of the evening.

Invitations were then issued to the
guests to enter the dining room. Here
they found miniature brides, cleverly
marking their places at the table with
an improvised name which represented
the first and last initials of each
guest's name. The table was adorned
with four tall candle tapers in silver
holders, which furnished soft light dur-
ing the dinner. Yellow and white
streamers extended from the tapers
to yellow nut cups at each place. A
most delicious two course dinner was
then served by the hostesses. The
chair in which the guest of honor was
seated was attractively draped in yel-
low paper.

Covers at the dinner were laid for
Mrs. Fred Hammond, Mrs. Fred Stauf-
fer, Miss Ruth Hammond, Miss Edna
Gase, Miss Stella Braun, Miss Stella
Draper, Miss Margaret Heuer, Miss
Catherine Dixon, Miss Geraldine
Smith, Mrs. Helen Leichty, Miss Marie

Dorothy Miller, Miss Wilhemina Sch-

Thieme, and the hostesses, Miss Etola

A very cleverly planned surprise
party was held at the Arnold home
west of the city, last evening, by the
members of the V. I. S. class of the
U. B. Sunday school. The party was
in honor of the birthday anniversary
of Kenneth W. Arnold.

The early part of the evening was
given over to the honored guest, who
proceeded to open the beautiful and
useful gifts presented to him. The en-
tertainment committee then furnished
a very interesting and amusing pro-
gram in which all guests took part.
Prizes were awarded to the winners.

was served by the committee at a
late hour, during which all of the
guests wished Kenneth many more
happy birthdays. Those present were:

\$35,000 Purse In Wrigley Marathon Swim Unclaimed

Toronto, Ont., Sept. 6 —(U.P.)— A
purse of \$35,000 which attracted 250
swimmers to Toronto for the Wrigley
15 miles swim marathon, lay unclaim-
ed today—not one of the contestants
having been able to withstand the
bitterly cold waters of Lake Ontario.

George Michel, the rotund French
baker, showed the greatest endurance.
Hour by hour he over-armed his way
through the choppy lake waters, which
were estimated to have a temperature
of 52 degrees. Shortly after 10 p. m. he
turned to his managers with the ques-
tion: "Have I beaten the German?"
referring to Ernest Vierkotter the
prize winner last year.

He was advised that Vierkotter had
given up the race. Michel's arms sug-
gested and his stroke lost its cadence. At
10:17 P. M. he was pulled from the
water, benumbed. He had completed
12 1/2 miles.

Today officials were uncertain
what was to be done about the purse.
They had announced that no prizes
would be paid unless the actual 15
miles had been covered.

RHEUMATISM AND KIDNEY TROUBLE ENDED BY KONJOLA

New Medicine Brings Quick And
Amazing Relief To Rich-
mond Citizen

MR. ROBERT SALVER
"Never in my life have I given a
recommendation for a medicine," says
Mr. Robert Salver, R. R. No. 8, Rich-
mond, Ind., "but I certainly want
every sufferer from rheumatism, neu-
ritis, and stomach trouble to know
what Konjola has done for me."
"The joints in my body had swollen
to twice their natural size, my pain
was constant and intense, and I was
able to attend to my work only about
half-time. Then, too, neuritis set in,
adding to my suffering. My stomach
was so bad that I could not retain any-
thing, and a kidney complication
caused me to leave my bed many
times nightly. I had tried everything,
but without benefit. I read about
Konjola, and what it was doing for
others, and decided, to give this new
compound a trial."

"Imagine my happiness and sur-
prise when the rheumatism and neu-
ritis pains abated. Next my stom-
ach and kidneys were put in normal
condition, and after a brief treatment
I was a remade man. No wonder I
am eager to endorse Konjola. I shall
never be without Konjola, and hope
every sufferer in the land profits by
my wonderful experience."

Konjola is sold in Decatur, Indiana
at Smith, Yager & Falk drug store,
and by all the best druggists in all
towns throughout this entire section.

Stomach Caused Constant Agony

Back Ached and Kidneys Hurt. Tells
How He Got Well.

Anyone who has had stomach
trouble, kidney pains or rheumatism,
need not be told that Mr. S. E. Long-
cor, New York Central employee,
Route 7, Elkhart, Ind., is very glad
his suffering is over. He tells of his
recovery, as follows:

"When stomach trouble attacked
me two years ago, it brought more
suffering than I could have believed
possible. Every time I tried to eat,
the pains in my stomach were awful.
I was bloated with gas, bilious and
had a bad taste in my mouth. My
kidneys began to trouble me. My
back ached, head ached, and the
nights seemed very long because I
could scarcely sleep. Every morning
I got up more tired than when I went
to bed. Friends know how I was
before I took Viuna, so I want them
to know how I am now. I have no
stomach trouble. All that pain, gas
and indigestion are gone. My bowels
are working fine again, kidneys seem
in good order, and I haven't a touch
of that old back-ache. I am sleeping
good, feeling full of pep—in fact, I
feel perfectly well again. It seems
hard to realize that Viuna could do
as much for any sick man as it did
for me, but these are facts."

Viuna acts promptly on sluggish bowels,
lazy liver and weak kidneys. It purifies
the blood, clears the skin, restores ap-
petite and digestion, and brings new strength
and energy to the whole body. Take a
bottle on trial. Then if you're not glad
you tried Viuna, your money will be re-
funded. \$1 at druggists or mailed postpaid

If you drove a car
costing \$3,000..you would find
the same vital elements of quality

The only Essex point in common with cars in its price field
—is price. An examination of our Special Chassis Display
will give you some astonishing and impressive comparisons
that you will not forget. Essex quality, fine appearance
and high manufacturing practice rightly classify it with
those costly cars which use the best known fine car methods.

For every important item in
Essex construction you must
go to these costly cars to find
comparison. Like the \$3,000
cars Essex uses roller tappet
bearings. It uses Timken tapered
wheel bearings. It uses
worm-and-gear type steering.

It uses a hard-rubber steering
wheel, with steel core, identical
with the wheel used on the
highest priced cars. Like the
\$3,000 cars Essex uses five frame
cross members for rigidity.
Like them it fully balances all
running parts for smooth,
long-lasting operation.

The four-wheel brakes used on
the Essex Super-Six are the
same enclosed and protected
type used on costliest cars, and
assure the maximum brake
safety.

They typify the costly car way
Essex is built throughout—
and you can verify this detail
by detail, inside and out, by
comparison first with costly
cars—and then with cars in the
Essex price class.

Come see the most important part of your Essex
and the way it is built in this special chassis dis-
play. It will explain why Essex is the largest
selling "Six" in the history of the industry.
