

# Decatur's Finest Equipped Service Station

## Bids You Welcome to Old Home Week

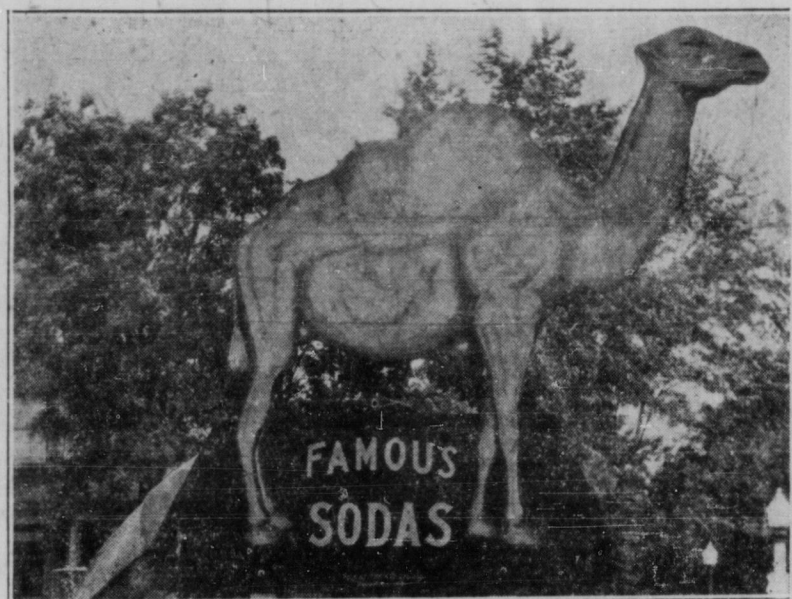

**WE** Hope we may be of service to you during your visit in our city. With our new and modern equipped service station we are able to render a service to the motoring public that exceeds anything in this section of the state. We have arranged convenient drive ways and offer a prompt and courteous service.

### Stop Here For Your Gas

We sell the famous NITROL gasoline—the gasoline that has made friends with everyone for the power and pep it gives your car. Just drive up to our station and we will be glad to fill your tank. We sell a complete line of greases.

We are equipped to sell and deliver gasoline and oil to farmers for tractor use. Come in or phone us for prices.

To further accomodate the public, we serve ice cream sodas and sundaes, and cold fountain or bottle drinks of all kinds. We have a complete line of bar and bulk candy. When hungry, stop in and ask for one of our Tostee Sandwiches.

Another added feature to this splendid, up-to-date station is the large and spacious court on which are individual tables covered with beach umbrellas. This is an added feature to our curb service and entitles our patrons to enjoy their confections out-of-doors. Foods at their best. Frigidaire equipment.

### Stop At The Sign Of The Camel

## Parking Space For Your Automobile

The large spacious lot back of our station has been cleared up and will afford an ideal parking place for your automobile during the Old Home Week celebration. Someone will be in charge of this lot all the time to insure the safety of your car and for which a small sum will be asked.

YOU CAN'T MISS US. STOP AT THE SIGN OF THE CAMEL.

Foods At Their Best - Frigidaire Equipped.
