**Women Delight**  
*in its marvelous handling ease*

Offering smartness and distinction never before attained in any low-priced six and reflecting exceptional good taste in appointments and upholstery, the Pontiac Six is a car which invariably wins feminine admiration. And that admiration turns to sheer delight when they leave the back seat and drive the car themselves.

They know the Pontiac Six is a dependable car. And they quickly discover an ease of handling that

makes every mile a pleasure. The powerful four-wheel brakes answer the lightest touch. The big motor is smooth, quiet and responsive, and the clutch and transmission are exceptionally easy acting.

Every day you see more and more women at the wheels of Pontiac Sixes—because Pontiac provides, at a price within reach of almost every purse, everything that women demand in a motor car of their own.
