You can always find men who are willing to ride on the band wagon. What our town needs are men who are willing to fill it with gas and crank up.

We like to have you Decatur folks come in to our store. And we like to have you give us a nice order for our goods. But we like still more to know that the merchandise has pleased you.

Husband (arriving home late): "Can't you guess where I've been?"
Wife: "I can; but go ahead and tell your story, anyway."

Women everywhere are praising Globe ranges. The spotless white enamel panels of these efficient long life ranges put beauty and brightness in every kitchen. Easy to clean and better baking ovens give your fine recipes the perfect results they deserve. A look will convince you. Come in any time.

The five-day week is said to be gaining in industry; editors and farmers, however, are in the privileged seven-day week class.

The beautiful Globe

Glow-Boy is made to give you furnace comfort at less cost, as handsome as a fine piece of walnut furniture. Easy to keep clean—no polishing or shining. Does more work than two or three stoves, because it circulates heat instead of radiating it. Burns any fuel, and less of it, due to the famous Globe Hot Blast principles. We have just delivered Globe-Boys to Wm. Huffman and James Strickler.

Teacher: "What is the meaning of the word 'matrimony' Robert?"
Robert: "Please, teacher, my father says it isn't a word—it's a sentence."

The Maytag washer neither rubs, scrubs nor pounds the clothes, but effectively flushes out all the dirt, even the stubborn edge-dirt of cuffs and collars without hand-rubbing.

Another thing that makes the average boy mad is that the world war increased the price of everything but soap and castor oil.

Ten Years Ago Today
Ollie Johnson purchased a roll bar wire.
Wm. Mitchell purchased a soft coal stove.
Simon Smith purchased a suit case.
H. E. Baxter purchased 40 rods 6x12 fence.
J. Bernstein purchased a 100 watt bulb.

Linckum and Florent are ideal covers for kitchen, dining room or bed room. We have a large variety of beautiful, bright and cheerful patterns for you to select from. The housed up winter season is approaching fast and we know you are thinking of brightening up some of your rooms. Come in and look over our beautiful patterns, and we know our price will please you.

Uncle: "The modern girl doesn't know what needles are for."
