

**Col. Johnson To Begin Community Sales Series**

Col Roy Johnson has inaugurated the community auction sale, announcing his first one for Saturday, December 1 and each two weeks thereafter. He has arranged a pavilion from one of the big barns at the fair grounds and will make every effort to revive interest in these events. The helpful part to the community is that the sales if successful, will attract many people here from a distance and will give any one so desiring the opportunity to buy or sell most any thing that has any value. Such events make business more lively. In many places these are weekly events and there is a good chance that the Johnson sales will grow to be an interesting part of Decatur business. If you have anything to sell or wish to buy live stock or personal property, it may be well to keep this date, December 1 in your minds.

**Invite President To Speak At Celebration**

Indianapolis, Nov. 15—U.P.—President Coolidge will be asked to speak and midwestern states to participate in Indiana's sesquicentennial celebration of George Rogers Clark's capture of Fort Sackville to be held at Vincennes, Feb. 25, 1929.

This decision was reached at a dinner of the George Rogers Clark memorial committee and out of state delegates spent Sunday here with her parents.

The committee recommended that three persons from each state of old northwest territory and from Kentucky, Virginia and Tennessee be appointed to ask their respective legislatures for any assistance they might be able to give.

The memorial and celebration is to be financed by \$1,000,000 from congress, \$400,000 from the state and \$150,000 from Vincennes. A memorial bridge is included in the plans to mark the site of Fort Sackville.

**More Charm—**

*no blemishes now*

UNDERNEATH a clear, smooth skin, healthy tissues—full of rich, red blood—thrive.

No worry about pimples now. Instead there is a certain satisfaction that gives confidence.

All this because rich, red blood is Nature's way of building and sustaining the body.

Without plenty of rich, red blood, there can be no strong, sturdy, powerful men, or beautiful, healthy women.

You know a clear skin comes from within. Correct the cause—through the blood—and pimples, boils, eczema and that sallow complexion will disappear.

Thousands have regained their strength and charm by taking a few bottles of S.S.S.—Nature's own tonic for restoring the appetite—building strength—and clearing the body of so-called skin troubles.
