## NEW HEALTH AND 45 POUNDS WON IN THREE MONTHS

Konjola Triumphed When it Was Said That Only An Operation Would Bring Relief

MR. HARRY MOHLER

It would be a difficult task to select the most glowing testimonial among the thousands that have been volunteered by the happy men and women to whom Konjola has been a blessing. One of the interesting indorsements comes from Mr. Harry Mohler, 219 East Fifth street, Michigan City, Indiana. He writes:

"For seven years I had stomach and kidney trouble, and went down to 145 pounds. Within three months after Konjola had rid me of these ailments I gained 45 pounds, weighing 190 as I write this. I tried many physicians and finally went to two of the most famous clinics in the country, and was told that only an operation would help me. Before submitting, however, I decided to try Konjola, having heard such wonderful reports about it. Well, Konjola restored me quickly to normal health. I escaped the operation, its huge cost and, besides, I regained my health completely. I never felt better in my life than I do today, and I shall never lose the opportunity to tell all who suffer what this astonishing compound did for me."

Konjola is sold in Decatur, Ind., at Smith, Yager & Falk's drug store, and by all the best druggists in this vicinity.

Our regular evangelistic services will follow the convention program at the 7:30 hour. We invite all to stay after the convention program for these services.

The Beulah church spent the Thursday evening with the pastor's family. We had a good social time together. The good people brought a fine donation.  
**Church Announcements**  
Since Sunday, Nov. 18th will be the only Sunday that we will be in the

home community on account of our evangelistic engagement since Sept. 15, we have accepted an invitation to preach a sermon Sunday forenoon in the Christian Union church at Honduras. We decided to preach on the second coming of Christ. So if you are inclined to hear some new thing like the Athenians were in Paul's day, come and hear this great Gospel

subject discussed in light of the Gospel and present day conditions. We shall neither use gloves nor cat's claws to present this subject, just straight forward facts.
