**LADIES PLAN CLOSING MEETING**  
The St. Paul Ladies Aid Society met Thursday all-day with Mrs. Freeman Walters, and spent the day in quilting. At the noon hour a delicious pot-luck dinner was served. The next meeting of the organization will be held December 15, with Mrs. L. W. Tague. This will mark the closing of the year's work and every member is urged to be present, as there will be a surprise in store for all who attend.

**Readers Like Comics**  
That the newspaper reading public has a huge capacity for humor along with its capacity for more serious matter is evidenced by the fact that ever since the first comic pages in color about 25 years ago, Sunday newspapers have been striving to fill the ever increasing demand for bigger comic sections.

Now comes the announcement that the Chicago Herald and Examiner, beginning Sunday, November 18th, will publish 16 color pages containing 30 comics.

It is claimed that never in the history of American journalism has another newspaper published so many comics in a single edition. This greatly enlarged comic section will be a regular feature of this newspaper every Sunday from November 18th on.

Among the people of comic land that will appear in this greater comic section are: Skippy, Little Jimmy, Felix the Cat, of Movie fame, Thimble Theatre, Sappo, Dumb Dora, The Nebbs, Just Kids, Always Belittlin', Tooner-ville folks and many of the old favorites. Local readers of the Chicago Herald and Examiner will want to follow these famous fun folks every Sunday.
