HAPPY AND WELL; SING AS I WORK; PRAISES KONJOLA

Serious Stomach Affliction Following Surgical Operation Quickly Yields To New Medicine

Mrs. Ray Melton Day by day, swells the mighty chorus of praise for Konjola, the new medicine, for its marvelous achievements. And no wonder, when reports like this pour in, telling of new victories over disease. Says Mrs. Ray Melton, 428 Adams street, Gary, Indiana:

"Following one major operation and two minor ones, and after spending many weeks in hospitals, I suffered terribly from stomach trouble. I became exceedingly nervous. The children irritated me, and I was cross. I knew this was not right, nor normal, but I could not help it. Nervous headaches and constipation added to my sufferings. I tried simply everything recommended, but constantly became worse every way. I was led to try Konjola by reading of the wonderful work it was doing here in Gary. But I had no idea of how soon I was to be restored to health. Konjola worked quickly—almost like magic—and today I am happy, strong and well. The children were quick to see the sudden change in me, and now our home is one of glorious health and happiness. What a medicine Konjola is; what a debt I owe to those whose recommendations led me to give it the chance to make me well."

Konjola is sold in Decatur, Ind., at Smith, Yager & Falk's drug store, and by all the best druggists in this vicinity.

Women are Learning the Right Way

If you are unfortunate in having skin blemishes, pimples, boils, eczema, you owe it to yourself and friends to remove the cause. Nature will then provide the complexion which is so much desired.

Thousands have been enabled to free themselves of unsightly blemishes and painful skin annoyances by taking a course of S.S.S.

You owe it to yourself to try S.S.S. It helps Nature build up red corpuscles. It improves the processes by which the blood is nourished.

Red blood cells are Nature's way for building and sustaining the body.

Without plenty of rich, red blood, there can be no strong, sturdy, powerful men, or beautiful, healthy women.

You know a clear skin comes from within. Correct the cause—through the blood—and pimples, boils, eczema and that sallow complexion will disappear.

S.S.S. is Nature's own tonic for restoring the appetite—building strength—and clearing the body of so-called skin troubles.

All drug stores sell S.S.S. in two sizes. Get the larger size. It is more economical.
