PEP MEETING HELD AT D. C. H. S.

Pupils Urged To Support Commodores In Battle With Elder High Friday

A rousing pep session was held last night by the pupils of the Decatur Catholic high school and the St. Joseph grade school in preparation for the Commodores' game with Elder high, of Cincinnati, Ohio, here Friday night. Realizing that the pupils have not been backing their team as they should this year, and knowing that the Commodores will need all the encouragement they can get Friday night, the student manager called on the athletic director, Father Joseph Hession, to give a pep talk.

Father Hession responded with a talk that fired every one of the pupils with enthusiasm. After recalling how loyally the Cincinnati people backed the Cincinnati Reds for fifty years before they won a pennant in baseball, giving the fans of that city a national reputation as people who are loyal to their team, win or lose, Father Hession said: "up from that true sportsman's town, on Friday of this week, will come a famous basketball team. A team that has won the championship of its state regularly. They will come to Decatur, a town that they remember from seeing its team at Chicago. They will expect to see the Commodores backed as Cincinnati backs her teams. What will they see? Will they see an almost empty cheering section like we have had at other games? Will they have to strain their eyes and ears to find the student body? Cincinnati boys wouldn't understand such disloyalty. That sterling sportsmanship which backs the home team on all occasions, win or lose, is a sacred tradition to them and they will expect to find it here. They know our reputation for great teams and they will expect to see a great team backed by a house full of loyal fans."

Coach Laurent put the Commodores through a stiff workout after the pep meeting last night, all being in good shape except Art Miller, forward, who has not yet returned to school after his attack of influenza.

The reserved seat tickets are on sale at the Eats Restaurant and are going better than for any game so far this season. Hence, the Commodores look forward to a good crowd, Friday night.

Field Goals

By Mark M. Upp

Fans are expecting the Commodores' game with Elder high, of Cincinnati, Ohio, here Friday night to be one of the banner attractions of the present basketball season in Decatur. Elder high is considered the strongest Catholic high school quintet in Ohio, and has represented that state in the national Catholic tourney at Chicago for the last three years.

With the Junior band on hands to pep things up and with a pledge from the Catholic school pupils to attend the game and root as they have never rooted before, the atmosphere ought to be properly charged with enthusiasm to make the game a dandy.

Decatur high school officials were notified today that the Yellow Jackets' game at Huntington Friday night will start at 7 o'clock, so that another attraction can be held in the gymnasium later in the evening. The Decatur and Huntington second teams will clash at 6 o'clock.

The Yellow Jackets will have a tough battle at Huntington. Any Huntington team is always hard to defeat at home. And this year's Viking quintet is not without well-known veterans. Take the diminutive Petrie, for instance. He has figured prominently in Huntington athletics for the last four years and Decatur fans and players are well acquainted with his ability. Then there are Welch and Hosler who played last year. The Yellow Jackets will have to play heads up basketball to keep their slate clean in the Northwestern Indiana conference.

Columbia City's Eagles invade Kendallville for a conference game Friday night. Columbia City defeated Kendallville at Columbia City earlier in the season and should repeat this week.

Frankfort plays at Logansport Friday night. Yes, we're thinking about that famous stall game between the two quintets a couple of years ago.

too.

They say that Coach Case, of Frankfort, who attended the Muncie-Bedford game recently, stated while there that after the first semester he would gain two players, who would become eligible then, and that after that, "nothing will beat us." Wonder where they hail from.

"If you hear about any good basketball teams, let us know about them—we need opposition," writes Earl Connor, former Decatur fan, who encloses a couple of clippings from the Dayton, Ohio, papers extolling the virtues of Stivers' high, the team that has scored 499 points in nine games this season while holding their opponents to 114. Stivers, by the way, will play Carr Creek, Kentucky, the little cross-roads team which created such a sensation in the national tournament at Chicago last spring, in the near future. Earl even offers to do his best to get a game across the state line.

Games this week for Adams county teams other than the Decatur quintets include: Friday night—New Haven at Berne, Union Center at Kirkland, Hartford at Chester Center, Monroe vs. Geneva at Decatur and Monmouth vs. Arcola at Hoagland; Saturday night—Monmouth vs. Jefferson at Berne, Monroe vs. Monroeville at Decatur, Geneva at Kirkland.

PURDUE WINS; INDIANA LOSES

Chicago, Jan. 9.—(Special)—Sensational field scoring by Murphy, Purdue center, enabled the Purdue basketball team to win from the University of Chicago team 38-26 last night.

Murphy threw baskets from all angles and scored eleven field goals. Gist, Chicago center, scored three field goals and one foul to tie the score in the second half after Purdue had led 19-12 when the second period opened.

Besides his eleven field goals, Murphy accounted for three points from three throws. Gist, Chicago center, led the Maroon scoring with five field goals and two free throws.

Illinois, 20; Indiana 16. Champaign, Ill., Jan. 9.—(UP)—Illinois sprung a surprise in big ten conference basketball circles by defeating the Indiana University team 20-16.

The Indiana loss could be attributed to inability of the Hoosiers to score from the foul line. They made only four out of eleven free throw tries.

Both teams played carefully during the first half and the period ended 6-4 in Illinois' favor.

VIKING CONTEST TO START EARLY

Huntington high school athletic officials announced today that the time for the starting of the games scheduled between Huntington and Decatur high school varsity and second teams Friday night had been moved up an hour.

The second team game will start promptly at 6 o'clock, it was announced, and the varsity game will begin at 7 o'clock. The change in time was made because of an entertainment which is to be held at the high school gymnasium that same evening.

Adams county road officials announced today, for the benefit of those who are contemplating driving to Huntington from this city to attend the games, that the best road is as follows:

Take the Peterson road to the Bluffton pavement and turn south, going to the Murray road. Take the Murray road through Markle direct to Huntington.

The Harding highway, which goes west through this city, Preble and Magley to Huntington is rough for several miles west of here, but the condition of that road is much better than usual.

Earl Christen, St. Joe Coach, Goes To Toledo

Earl Christen, who has been coaching the St. Joseph school eighth grade basketball team this season, has accepted a position in Toledo, Ohio. At present, Coach "Shorty" Laurent, Catholic high school coach, is doing double duty, or rather triple duty, having charge of the first and second high school teams and the eighth grade quintet. With St. Joe's second game with Central scheduled for a week from Friday, Coach Laurent probably will continue to direct the grade team until after that contest.

Bluffton Chamber Of Commerce Holds Election

Bluffton, Jan. 9.—F. G. Thompson was elected president of the Bluffton Chamber of Commerce, at the annual business meeting and banquet of the organization, Monday evening. Other officers elected are: O. E. Shafer, vice-president; R. S. Morrow, treasurer; and J. L. Goodin, E. B. Williamson, F. J. Tangeman, Harry Swisher, Lloyd Cline, John Kelley and George L. Saunders, directors.

Mrs. Chester McIntosh visited in Fort Wayne today.

WINTER'S TREK SOUTHWARD IS IN FULL BLAST

Some 2,000,000 Persons Expected To Hie To Florida Resorts

Jacksonville, Fla., Jan. 9.—(UP)—Along the modern paths to Florida—highways, railroads, airways and sea—move 2,000,000 fleeing the rigors of a northern winter.

Chambers of commerce in resort cities are with one another in reporting arrivals. They are hopeful at Miami, Palm Beach and all along the east coast of a gay brilliant season, sparkling with social and sports events for those who like their winters that way. At St. Petersburg, where the more sedate gather, they look forward to long quiet days with the semi-tropic sun beating down.

The hurricane is past—few vestiges of its terror and destruction remain. The palms along the east coast have been righted. Practically the only remaining scars are memories of the tragedy and a few new graves.

It is a gay pleasure-loving Florida all over again. The Royal Poinciana will open at Palm Beach. The new Breakers a \$7,000,000 hotel already has had its house warming.

Sport Program
The dogs will run at Miami—and the horses at Pompano—unless plans go awry.

Forty golf tournaments—speedboat and automobile races—horse shoe pitching at St. "Pete"—tarpon fishing off Key West—yachting at Miami—bathing everywhere—Everglades excursions—dancing at the thousand and one night clubs—Florida has a wakened as the snow covers the north.

The Miami Jockey club plans a gala re-opening. Strings of ponies from the Bud Fisher, Henry C. Phipps, John Hertz and Harvey Firestone stables have arrived for training polo and races at Florida points.

The \$15,000 Miami Beach-La Gorce open golf tournament will be the main attraction for golfers. The Havana Key West yacht races will be held in March with a real international favor certain, due to entries from England and Cuba.

At Miami Beach the Cuban Davis cup team will meet American amateurs in series of matches. Gar Wood has accepted a challenge from Major H. O. D. Segrave, the British race boat and race car drivers for a world's speedboat record race. Major Segrave also plans to try for the race car record he formerly held, probably making the attempt on the Daytona Beach sands.

TO---all you folks in this progressive community!

May Prosperity smile upon you in 1929.

Old Adams County Bank

pondents in Florida cities indicate that hotel rooms will be below the high top prices of season's past—while managements have gone to greater trouble than ever to entice visitors.

Miami's hostesses are opening. At Key West the Casa Marina opened Dec. 20, 10 days ahead of time. The visit of President-elect Herbert Hoover to Miami before his inauguration is expected to make that city the hub of the season's activities.

At St. Petersburg on the west coast the 350 room Don Cesar hotel will be available—with roof cabinets for sun bathers. Tampa reports an expected throng of 600,000 winter visitors in that vicinity.

Liquor will be higher than usual, according to best information available, although the drive on rum runners of a year ago has slackened and the boats creep in from Bimini and Nassau during the night. Plans will be waiting the too thirsty for sport spins over to the Bahamas or down to Cuba for legal quenching of thirst.

REPPERT'S AUCTION SCHOOL NOTES

Half of the class of Reppert's Auction school went to Fort Wayne yesterday to study the methods of conducting a merchandise auction house. Col Segrest has a model auction house and it was very interesting to go through it. At 7:30 P. M. the students conducted the auction sale under supervision of Col Segrest and Col Pettit.

Next Tuesday the remainder of the class will go.

George L. Dunlap of Pennsylvania was unable to attend school because of sickness yesterday but is much better at the present time.

W. H. Peddicord, who has been sick with the flu, has not yet returned to

school. Col. Gartin had charge of the part of the class which stayed in Decatur. Opening of farm sales was the topic studied.

The world's best cattle judge, John Latham, outlined for the class the points in beef cattle judging pedigree study was also taken up. More will be studied today.

Col R. C. Feland of Noblesville, Ind., was here Tuesday and gave his methods and ideals of selling real estate at auction.

Col Fred Reppert left today for Horton, Kansas, to conduct a stock sale. Col Gartin and Col Pettit have charge of the school while he is gone.

The auction sales Saturday afternoon and evening were well attended. Several prizes were given away at the beginning of the sale and a blanket was given away after the sale.

Not many were out to the auction Monday evening because of the weather. The class has some extra numbers to put on each evening before the auction such as readings, clog dancing by little friend George Clark, also numbers by the quartet.

We would appreciate it very much if the people of Decatur and vicinity would attend these sales. There are bargains every night.

LINN GROVE NEWS

Lloyd Beelre left Wednesday for Fowler, where he will be employed in the Fowler hatchery.

Miss Flosse Studler left Monday to return to Business College at Fort Wayne, after spending Christmas vacation visiting her parents.

Mr. and Mrs. F. J. Stedcke spent Friday visiting with Mrs. George Watson.

Mr. and Mrs. Kirk Smith of Berne, and Mable Studler of Bluffton were visitors at their home Sunday.

Roy French and family and Mr. and Mrs. Ralph Olden moved west of De-

catu on a farm last Thursday.

Mr. and Mrs. Fred Liddy are on the sick list.

Mr. and Mrs. Dewey Shepherd and daughter, of Bluffton, spent Sunday afternoon with Mrs. Mary Shepherd.

Mrs. Harry Meshberger visited her parents two days last week, at Berne. Mr. and Mrs. David Fall and Mrs. Emil Leichty were called to Fort Wayne to the bed side of Mrs. Kate Moser.

Mrs. Eldon Carnes spent the weekend at Poneto with her parents, Mr. and Mrs. Otis Starr.

Harry Meshberger and Chris Elcher transacted business in Decatur Monday.

Mr. and Mrs. Fred Liddy, who has been seriously ill with the flu, is improved.

B. L. Hart was a caller at Decatur Monday.

Simplicity of cooling system is a feature of the new Ford

A COMPLETE water plant is a part of every automobile as it is a part of every modern city.

The purpose of this water plant is to keep the engine cooled to a temperature that will make it efficient in operation. If it were not for this, the cylinder walls would overheat and the pistons would refuse to operate.

The cooling system of the new Ford is particularly interesting because it is so simple and reliable.

When the radiator is full of water, the engine of the new Ford will not overheat under the hardest driving. Yet the action of the water is so regulated that it will not impair engine operation by running too cold in winter.

The cooling surface of the Ford radiator is large and there are four rows of tubes, set in staggered position so that each receives the full benefit of the incoming air.

The fan is of the airplane-propeller type and draws air through the radiator at the rapid rate of 850 cubic feet per minute

at 1000 revolutions per minute of the motor.

The hot water around the cylinder head is drawn to the radiator to be cooled by a centrifugal water pump of new design.

The entire cooling system of the new Ford is so simple in design and so carefully made that it requires very little attention.

The radiator should be kept full of water, of course, and drained once each month so that sediment will not collect and retard the free passage of water. In cold weather a reliable anti-freeze solution should be added.

As owner and manager of this important water plant, you should also see that the water pump and fan shaft are properly lubricated and the packing around the pump shaft kept in adjustment.

The hose connections may also need replacement after long, continuous service. For those little adjustments, it pays to call on the Ford dealer.

He works under close factory supervision and he has been specially trained and equipped to do a competent job at a fair price.

FORD MOTOR COMPANY
