Groom for Every Horse

The royal stables of the shah of
Persia are located in the province of
Mazandaran, where a large establish-
ment is maintained for the accommo-
dation of the animals. Each horse
has its individual attendant and the
animal is as carefully coddled as any
child. The cost of maintaining this
establishment is enormous.

Chinese and Liquor

Liquor legislation has existed in
China for thousands of years, one an-
cient ordinance forbidding more than
three persons drinking together with-
out special cause and license.
