ORA SMITH IS ARRESTED HERE THIS MORNING

(CONTINUED FROM PAGE ONE)

License plates were placed on the stolen car. Paulding county officials say they have information that Ora was with the other two men when the car was stolen at Paulding, but Ora denies this.

Officials continued to investigate the possibility that a woman, residing in Fort Wayne, was connected with the theft of several cars. It is understood that the woman is a former Decatur resident, but the name has not yet been made public.

Ora said that the federal authorities questioned him and then released him at Chicago. He immediately returned to this city and when arrested this morning was preparing to start to work at a local factory.
