A minimum of 200 hours solo flying experience, knowledge of the government's air traffic rules, rigid physical examinations at regular intervals are stipulated in the new regulations. Tennis Tourney Tilt

Forest Hills, L. I., Aug. 23.—(U.P.)—The reigning queen and a former ruler, who hopes to return to the throne, met today in a climatic battle at the west side tennis club.

Helen Wills, whose goal is her sixth national women's title in seven years, and Molla Mallory, who would like to extend her great list of American triumphs to nine, were the principals in a match of unusual interest.

Back in 1922 a sturdy little girl from the Pacific coast faced the great Mrs. Mallory in a match that was to decide the championship of the country. That match ended with a victory for the older woman, 6-3, 6-1. Experience was too much for the youthful California girl.

The next year, on the same courts, where they met today, the same pair was opposed again. Helen this time was a bit larger and stronger and her game had improved accordingly.

She literally smothered Mrs. Mallory with her terrific serves, drives and volleys, winning her first national title by a score of 6-2, 6-1.

Today it was Mrs. Mallory again who stood between Helen and her chances of another national championship. The odds are all with Miss Wills.

## Featherweights to Fight

Chicago, Aug. 23.—(U.P.) Eddie Shea and Earl Mastro, both of Chicago, will fight 10 rounds to a decision tonight at the Chicago stadium, the winner to be matched with Andre Routis, France present holder of the world's featherweight title.

Promoter Paddy Harmon has given

the Shea-Mastro go the feathered spot on the Bill because of the strong following both fighters have in the home town. Previously the Rene Devos-Johnny Burns 10-rounder was named as the main event.

Harmon is attempting to match the winner of the Devos-Johnny Burns bout with Mickey Walker.

Keep up the Payment  
of Your Christmas Club

At this time of the year there seems to be a tendency towards laxity of keeping up payments on Christmas Savings Clubs. Perhaps that is due to the extra money that is taken along for vacation trips. But it is essential that your payments be kept to date in order that you receive full interest at the end of the year.

The many good uses from which you will enjoy your Christmas money are probably planned already. The best way to assure complete enjoyment of this money is to have your payments made to date or in advance. Then when your check is sent to you, the interest added will be your reward for your diligence in savings.

Payment number 38 is due this week. Look at your Club book. If you are behind, now is the time to catch up to date. Letting it go for a few more weeks only makes it harder to complete payments before number 50 rolls along.
