FIVE DEAD IN PLANE CRASHES

Week-End Toll In Middle- west Reaches Five In Series Of Mishaps

Chicago, Sept. 23.—(UP)—Airplane crashes took five lives in the middle-west over the week-end.

Charles Folsom, 20, and Seth Baughn 15, were killed near Anderson, Ind., yesterday when their plane went into a tailspin and crashed from 200 feet. Folsom was at the controls. He had been flying only a few months.

Lieut. Mark H. Redmon was killed near Fairfield, Ohio, when his plane got out of control shortly after the takeoff and fell 300 feet.

Fred Center, 24, licensed pilot and Lester D. Baker, student, were killed when the plane in which they were riding crashed near Troquois, Ill. Baker apparently became excited and pulled the stick the wrong way. The plane burst into flames and both were burned.

Anderson, Ind., Sept. 23.—(UP)—Investigation was underway today by coroner Earl Sells into an airplane crash near here Sunday in which two youths lost their lives.

Charles Folsom, 20, pilot, and Harold Baughn, 15, killed when the plane suddenly went into a tailspin and crashed from a height of 200 feet.

It was said that Folsom had been flying but a few months and apparently did not know how to bring the plane from the tail spin.

The engine was buried and the plane demolished.

Folsom had been using a field on his father's farm for landing. The plane an old army model, belonged to Earl Edwards, Chesterfield, Ind.

Folsom, it was said, had piloted a plane at the Hartford City Ind., airport earlier in the summer.

BOY HURT NEAR BERNE AS AUTO RUNS OVER HIM

(CONTINUED FROM PAGE ONE)

Brubaker, 4-year-old son of Mr. and Mrs. William Brubaker of Elkhart was seriously and perhaps critically injured near Berne late Sunday afternoon, when he fell beneath an automobile driven by Bryce Rohn and was run over.

When young Rohn stopped the car the wheel rested on the lad's body. The boy suffered a fracture of the pelvis and a severe injury to the bladder. He was rushed to Berne where a local physician dressed the injuries and pronounced the boy's chances for recovery slight.

The lad was taken to the home of Mrs. Mary Opliger, a relative, where he is being cared for. The attending physician today stated that it was doubtful if he would recover.

Mr. and Mrs. Brubaker and son were visiting relatives near Berne. They had eaten dinner at the Charles Baumgartner home and were spending the afternoon there. Mrs. Emma Rohn and son Bryce, of Berne, also were guests at the Baumgartner home. In the afternoon Bryce took some of the company to Berne to practice for a church recital.

When the Rohn car was returning to the Baumgartner home, the Brubaker boy ran out into the yard. As he approached the car he stumbled and fell directly beneath the auto-

mobile. Young Rohn stopped the car immediately, but the lad had fallen in such a manner that he was pinned beneath the car.

He was rushed to Berne where efforts were made to permit him to rest easier until an examination could be made. The boy was then taken to the Opliger home.

In a telephone conversation late this afternoon Dr. H. O. Jones, attending physician for the lad stated that there was about an even chance for recovery, unless complications set in. Dr. Jones stated the lad was resting easier this afternoon, but his condition was still very critical.

Nussbaum Boy Recovering
Alvin Nussbaum, 7, son of Mr. and Mrs. Charles Nussbaum is recovering today from a fracture of his left leg suffered Saturday afternoon when he fell from a hay-mow on the Nussbaum farm in Monroe township. The lad suffered a complete fracture just below the hip, but his condition was reported as favorable today.

Mrs. Lehman Injured

Word was received here today of the injury of Mrs. Tillman Lehman, of Fort Wayne, formerly Miss Louise Smith of near Monroe, in an automobile accident which occurred in Fort Wayne Sunday. Mrs. Lehman received a fractured leg and her three-year-old daughter Edith was badly bruised when thrown from the car.

Mr. and Mrs. Lehman and their daughter were driving in their car in the business section of Fort Wayne, according to word received here, when another car struck their automobile. The child was thrown almost 20 feet out of the car but was not seriously injured. Mrs. Lehman received a broken leg and several cuts and bruises. Mr. Lehman escaped with minor injuries.
