Georgia Rivers Return  
To Normalcy Today

Atlanta, Ga., Sept. 30.—(UP)—Georgia Rivers were returning to normal stages today after almost a week of steady rain in various sections of the state causing extensive damage to crops, property, railroads and highways.

The Savannah river returned to its banks at Augusta where the lower part of the city was flooded. The Charleston and Western Carolina bridge there was washed away.

Hamburg, S. C., across the river from Augusta, remained under several feet of water. Damage to Augusta itself was slight although city officials faced a sanitary problem as a result of the flood.

Plane Rises In Air  
Without Aid Of Motor

Frankfurt, Germany, Sept. 30.—(UP)—Fritz Von Opel, the wealthy young automobile magnate, succeeded today in rising in an airplane propelled by rockets instead of by a motor.

Von Opel has been planning to attempt a flight across the English Channel in his unique plane, today's flight being a preliminary test.

NEW CHARGE IS  
MADE IN KILLINGSeven Face Second Degree  
Murder Charge In North  
Carolina Labor Strike

Charlotte, N. C., Sept. 30.—(UP)—Seven persons faced second degree murder charges as result of the killing of Police Chief O. F. Aderholt of Gastonia after the state had made reductions in charges and dismissals at opening of the trial today.

The three women defendants and six men—all arrested after the killing which was an aftermath of labor difficulties in this textile community—were dismissed.

Previously Solicitor John Carpenter had announced that first degree murder charges had been reduced to second degree against 13 of the defendants. The only ones whose charges were not reduced were the three women, Sophie Melvin, Amy Schlechter and Vera Buch, but they later were dismissed.

The men whose charges were dismissed today were Robert Allen, M. K. Byers, N. F. Gibson, Floyd Hampton, J. C. Heffner and Russell Knight. The state next dismissed the assault charges pending against Ernest Martin, D. E. McDonald, Walter Loyd Robert Litoff, C. E. Loll, J. R. Pittman and Clarence Townsend.

These defendants were not on trial in the present case but were under bonds awaiting trial on charges growing out of the Aderholt killing.

These revisions in charges and defendants were made after the defense counsel had returned to court from a three quarter of an hour conference and assented to consolidation of the assault and murder cases.

## Plane Lands Safely

Sitka, Alaska, Sept. 30.—(UP)—After flashing an S. O. S., the monoplane "Land of the Soviets" bearing four Russian aviators on a Moscow to New York flight, was at anchor here today being prepared for a take-off for Seattle probably Tuesday.

The fliers landed here from Seward at 4:45 p. m. (8:45 p. m. est.) yesterday, after six and three quarter hours continuous flight. They were two hours behind schedule, having been delayed by fog.

An S. O. S. signal sent out by the plane's radio operator was a mistake, it was explained.

The distress signals were picked up at several points and also by the U. S. coast guard cutter Haida which changed its course to render assistance.

FLORIDA AND  
ALABAMA HIT  
BY HEAVY GALE

(CONTINUED FROM PAGE ONE)

northern edge of the gulf were cut off, as the high wind tore down wires. Carrabelle, La., was evacuated by its 1,000 inhabitants during the night.

The focal point of the disturbance shifted to near Pensacola at mid-morning, the weather bureau advised.

Hurricane warnings were put up along the Alabama and Mississippi coasts, and it was predicted the storm would cross the coast line near Pensacola this afternoon "attended by winds of hurricane force."

The wind reached a velocity of 75 miles an hour towards noon.

In the weather bureau office, on the tenth floor of a downtown building, pictures on the wall swayed.

Fears were felt for 140 men on 13 fishing boats unreported here for hours.

## Warning Issued

Mobile, Ala., Sept. 30.—(UP)—Warning that a 75-mile gale probably would strike Mobile was issued by the weather bureau this morning. The bureau said the path of the hurricane, which has been raging off Florida indicated Mobile probably would be affected.

Schools were dismissed and ships in harbor moved up the Mobile river to shelter.

## Change Flags

Washington, Sept. 30.—(UP)—The U. S. weather bureau today ordered storm warnings along the Alabama and Mississippi coasts changed to hurricane warnings.

The tropical storm which struck Florida was reported about 75 miles southeast of Pensacola moving northwestward at 10 to 12 miles an hour. "In the absence of Apalachicola report conditions are that the center will cross the coast line near Pensacola this afternoon attended by winds of hurricane force," the bureau said.

## Communists Take City

Hong Kong, Sept. 30.—(UP)—A force of communists today captured the town of Shang-Hang and made prisoners of the members of the German dominican mission at Ting-Chow.

Seven of the dominicans were later released, four were detained in the hospital to treat those who had been wounded in the assault on the town, and the others, including three sisters, were held for ransom.

RANGERS PATROL  
BORGER, TEXASMayor Is Released on Bond;  
Town Branded As  
Corrupt

Borger, Tex., Sept. 30.—(UP)—A chastened Borger citizenry went to its tasks in the oil fields today while state troops were en route to take charge of the town, described by high state officials as criminal and corrupt.

Mayor Glenn A. Pace was free on \$3,000 bond following his arrest yesterday on a charge of attempting to thwart justice by forcing a state's witness in a murder trial out of the town.

The city jail was in the hands of rangers, police maintained by the state to be rushed to points where peace enforcement has gotten out of the hands of local officers. Borger police had challenged a claim by the rangers that they were in league with liquor and narcotic dealers. The rangers won out through an order from the governor.

The town had been portrayed as infested with vicious underworld elements, after the murder of District Attorney John A. Holmes.

A lay evangelist today had come into a prominence which he described as the "first fruits of the new Borger." The Rev. Col. Gay W. Green Sunday preached to the largest congregation ever to gather under the rafters of his gospel temple and 56 persons, some of whom never before had visited the church, were converted.

Persons who have lived in Borger during the three years of its history—in which there have been 24 murders—said it was the first Sunday that blatant music of mechanical pianos at bars and gambling places had not mingled with the hymns sung in the Rev. Green's church.

PANTAGES BOTH  
IN COURT TODAYWife To Receive Sentence  
And Husband To Ask For  
Change Of Venue

Los Angeles, Calif., Sept. 30.—(UP)—Alexander Pantages, millionaire theater man, will learn today whether the courtroom in which his wife, Mrs. Lois Pantages, was convicted of manslaughter will be the scene of his trial on charge of attacking Eunice Pringle, 17-year-old dancer.

Mrs. Pantages was scheduled to appear today for sentence and two ministers to appear before court judges to learn whether they should be punished for contempt of court for their remarks during her trial.

Pantages' motion for a change of venue, charging Los Angeles is prejudiced against him, will be argued before Judge Charles Fricke. If it is denied Pantages will go to trial here Tuesday.

Mrs. Pantages was ordered to ap-

pear before Judge Carlos Hardy for sentencing. Her automobile crashed with that of Juror Kumoto and caused his death.

The ministers charged with contempt are the Rev. R. P. Schuler and the Rev. Gustave Briegleb.
