Adams of Colorado has never extended leniency to a convict and there was no indication he would change his attitude.

**Police Investigate Mill Heads Death**

Police of Elizabethton, Tenn., are not entirely satisfied that Consul W. C. Kummer, acting president of the American Bemberg Corporation, who was found dead in his bed with both wrists slashed, was a suicide. They are conducting a thorough investigation due to recent strike disorders in the territory, as there is some possibility that the mill executive may have met with foul play.
