Senate Votes Favorably On Hoover's Farm Board

Washington, Oct. 17—(UP)—The eight members of President Hoover's Federal Farm Board have received their official status from the senate after functioning for three months under recess appointments.

The senate late yesterday confirmed the farm board nominations, after it had listened all day to attacks from Democrats and independent Republicans on President Hoover's selections.

Five were confirmed without a dissenting vote, Charles O. Teague, of California, William F. Shilling, Minn., C. B. Denman, Mo., Charles F. Wilson, New York, and James C. Stone, Ky.

Samuel R. McKelvie, former governor of Nebraska, received the largest opposition, most of the Democrats voting against him. The vote on his confirmation was 50 to 27. The vote on chairman Legge was 67 to 13, and on Carl Williams, Oklahoma, 57 to 20. Senators Smith S. C. Wheeler, Mont. Herlin, Ala., and Caraway, Ark., all Democrats led the opposition to the nominations.

Mrs. Myers Recovering

The condition of Mrs. Herman H. Myers, who underwent a major operation Monday at the Adams County Memorial hospital, was reported to be greatly improved today.

Sheriff's Wife Prevents Charleston Jail Break

Charleston, Ill., Oct. 17—(UP)—The pluck of Mrs. Mary Moore, the sheriff's wife, is the talk of the county today. She foiled a jailbreak at the Cole county jail here yesterday by shooting one prisoner, marching two others back into the jail at the point of a gun and then standing guard over 28 others.

Ralph Cook, serving a sentence for assault, was having his hair cut by a barber called into the jail. Walter Whittingham, the turnkey, was watching. Cook's two cellmates leaped on the turnkey, beat him over the head with a blackjack and slashed him with the barber's razor while Cook snatched the keys and unlocked doors.

Mrs. Moore ran to the front of the jail and shot Cook as he was coming out, then marched his cellmates back to their cell. Firemen relieved her of the task of guarding the 31 prisoners.

Three Liquor Law Violators Sentenced

South Bend, Oct. 17—(UP)—Road houses were denounced as "vestibules of hell" by Circuit Judge C. E. Pattee in sentencing three dry law violators.

Mrs. Ruth Fording Fourth was sent to the Indiana women's prison for six months and fined \$300; her husband, Victor, to six months at the penal farm and \$300 fine, and Mrs. Margaret Coleman to six months in prison and a \$300 fine.

Judge Pattee branded roadhouses, dens of racketeers and moonshiners, and scored their operators for "turning drunken persons loose on the public."

Mrs. W. M. Affolder and children are spending a few days at Van Wert visiting with Rev. Egger and family. Helen Schroll will arrive tomorrow from Indianapolis to spend the week-end in this city visiting her parents, Mr. and Mrs. H. M. Chroll.

Mrs. Clara Anderson spent last evening at Geneva.

FREIGHT TRAIN JUMPS TRACKS

Believe Hi-Jackers May Have Caused Derailment To Get Whisky

Indianapolis, Oct. 17—(UP)—Possibility was seen by Government and local agents here today that Whisky Hi-jackers tampered with rails and deliberately sent 12 cars of fast Pennsylvania west bound express No. 87 into a ditch six miles east of Indianapolis last night.

A valuable shipment of Whisky, bound for St. Louis under government supervision, might readily have tempted racketeers to make the daring plan for confiscation, officers believed.

Whatever was the motive behind the wreck, which undoubtedly was brought about purposely, and apparently by expert hands no attack on the train was made and only one person H. J. Harper, Columbus, Ohio, fireman, was injured, and his injuries were slight. The train which had a cargo of exceptional value, including silks and other expensive merchandise, was likewise heavily guarded, with fully a dozen armed men in the cars. The guards blocked the right of way immediately after the crash and no one appeared to dispute their domination of the situation.

There was no positive information that robbery was the motive which prompted the perpetrator or perpetrators to disconnect one rail joint. Officers see in the expert manner in which the wreck was brought about, however, and its timing so that the valuable cargo would be the one to suffer, a plot of so-called "big-time operators," whether these men were after the regular merchandise or the large whisky shipment is not known, or at least not revealed.

a cross-roads near the Beery church west of Decatur early this morning. The Ford car was completely demolished and Shirack received an injury to his back.

The Ford turned completely over, pinning Shirack beneath it. The truck was not badly damaged. Smith and the truck driver were neither injured in the collision.

Two Cars Collide
The Ed Boknecht and Earl Sudduth automobiles collided on Monroe street at about six o'clock Wednesday evening. Mr. Boknecht was turning into the driveway of the Boknecht filling station and Mr. Sudduth was driving west on Monroe street when the two cars crashed. Both cars were damaged, but none of the occupants of the cars was injured.
