ROBINS, CARDS IN BIG SERIES

York, Sept. 16.—(U.P.)—An end to the current National League season when the Philadelphia Athletics defeat the Brooklyn Robins in a replay of a tie game played between the league's two best teams in the first series of the season.

The Robins, who have won 11 of their last 16 games, are now in the top of the league with only 11 games to play. The Cubs have lost 10 of their last 16 games, and are now in the bottom of the league with only 11 games to play.

The Philadelphia Athletics, who have won 11 of their last 16 games, are now in the top of the league with only 11 games to play. The Cubs have lost 10 of their last 16 games, and are now in the bottom of the league with only 11 games to play.

The standing of the leaders, games behind, and games left to play follow:

Team	W.	L.	Pct.
Brooklyn	84	60	.583
St. Louis	82	60	.577
Chicago	82	61	.573

Efforts to have the Robins play the world series at Yankee stadium, with its 80,000 seating capacity, or the Polo grounds, with its 60,000 seating capacity have failed, and President Frank York announced today that if the Robins won they would play their games at Ebbets field, with its mere 29,000 seats. Only 18,000 reserved seats are available.

BASEBALL BRIEFS

(By United Press)

Seven games in front and needing but five victories in their remaining 11 games to clinch the American League flag, the Philadelphia Athletics today resumed battle in a double-header with the Chicago White Sox.

Washington Senators shaved half a game off Philadelphia's lead Monday by defeating the White Sox 14 to 9 while the leaders were idle, but still have nothing more than a mathematical chance for the pennant. If Philadelphia wins five out of eleven the Senators can win all their remaining 11 games and still finish second.

Ted Lyons, hunting his 22nd victory of the season, started on the mound against Washington yesterday but was relieved in the sixth inning.

A four-run uprising in the second inning enabled the New York Yankees to defeat the Detroit Tigers 5 to 3. Babe Ruth led the New York attack with three hits.

Boston and St. Louis divided a double-header, the Red Sox winning the nightcap, 2 to 1, in eleven innings after losing the opener 3 to 1. Goose Goslin's home run with one man on base gave the Browns the winning runs in the first game.

In the National Brooklyn ran its winning streak to 11 straight by defeating the Cincinnati Reds 13 to 5.

Fitzsimmons allowed the Pittsburgh Pirates but three hits as the New York Giants triumphed 6 to 1.

The Chicago Cubs and the Phillies split a double-header, the Phillies winning the first game 12 to 11 and losing the second 6 to 4.

Yesterday's hero: Lefty O'Doul, Philadelphia outfielder, whose pinch-hit home run in the ninth inning gave the Phillies a 12 to 11 win over the Cubs in the first game of a double-header.

The following statistics compiled by United Press include games of September 15:

Leading Hitters

Player	AB	R	H	Pct.
Terry, Giants	143	59	135	.404
Erman, Robin	143	57	136	.398
O'Doul, Phil.	133	51	119	.385
Klein, Phil.	145	60	142	.383
Gehrig, Yank.	144	54	134	.383

Simmons, Athletics	35	
Fox, Athletics	34	
Berger, Braves	34	

KONJOLA ENDS NEURITIS AND DIGESTIVE ILLS

For Year, Tried Many Medicines But New Compound First To Make Good

MR. CHARLES E. WELIVER

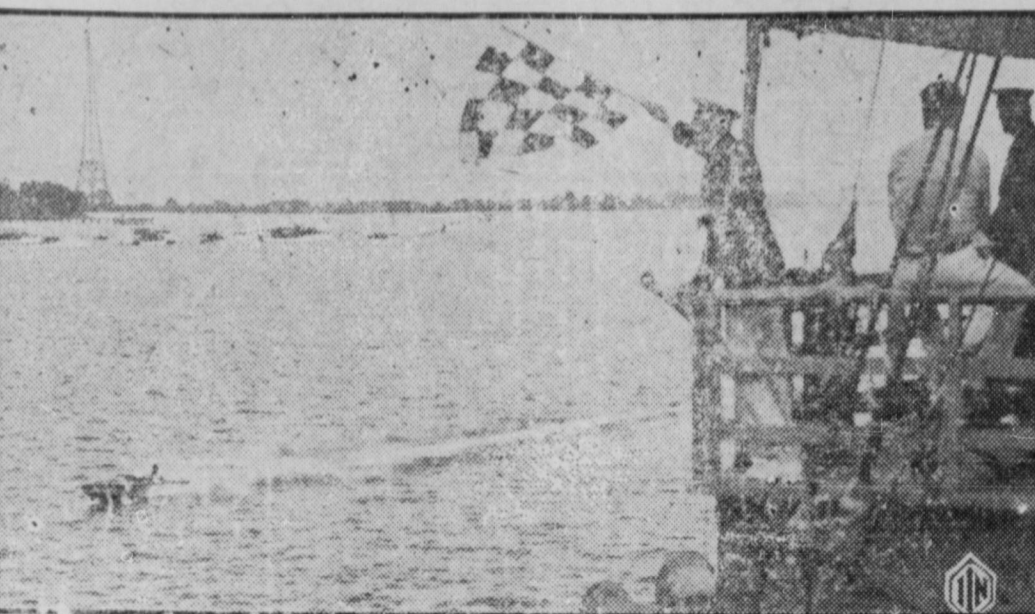

"I was ill for more than a year with Neuritis, stomach, liver and kidney trouble," said Mr. Charles E. Weliver, 107 Garfield St., Crawfordsville. "No medicine helped me. I had a burning sensation in my throat and was nervous and sleepless at night. My kidneys were weak and my liver was sluggish causing my attack to become sallow. Neuritis attacked my arms and legs and the pains were frightful."

"I improved in health after the third bottle. My appetite improved. I slept better, back pains passed and the pains in my arms and legs were less severe. At the end of the sixth bottle my health was restored. Food no longer soured, I have a good appetite, and do not bloat after meals. Back pains and the frightful agony of neuritis no longer troubles me and I am in excellent health. I have told many people about this medicine and I shall never cease to praise it."

Konjola has done as much for thousands whenever it has been given a real test. It is compounded of 32 ingredients and 22 of them are the juices of roots and herbs.

Konjola is sold in Decatur, Ind. at the B. J. Smith drug store, and by all the best druggists in all towns throughout this entire section.

Flagging a Winner, at Speedboat Races

...owned and ... winning the sixth heat of President's Cup Races held at Annapolis, Md. Ripp is shown being flagged as he darts across the finish line.

NORTH IRELAND CROP ACREAGE HAS BIG DROP

Lower Prices Cause Decrease in Planting of Many Staple Foods

Belfast, Sept. 1.—(U.P.)—Agriculture returns of Northern Ireland for the first seven months of 1930 as reported by the Ministry of Agriculture show that the total acreage of ploughed land constitutes a new low record.

A reduced acreage under oats, potatoes and flax has brought the ploughed land acreage down to 535,191 acres, the lowest since 1917. Cattle also decreased while sheep herds and the total pig population increased.

The area under corn crops declined by 5,619 acres, while a decline of 7,098 acres occurred in the case of oats. The area under root crops shows a reduction of 17,381 acres, due mainly to a decrease in the potato crop of 15,508 acres. During 1929 potatoes were extremely cheap and it is to this that experts attribute the smaller 1930 planting.

Flax plantings have decreased by 5,594 acres and turnips also have decreased by 1,764 acres.

Wheat and barley show small increases, and hay has increased by 12,459 acres to 477,911 which is the highest total since 1926.

The total number of cattle, 673,030, is the lowest recorded since 1925. A considerable decline has occurred in the number of milch cows, which show a decrease of 11,550. Sheep flocks have increased by 48,169 while pigs are now 24,366 more numerous.

Despite modern farm machinery the number of agricultural horses shows a slight increase of 1.6 per cent, while horses under one year show an increase of 14.8 per cent.

AT BIG TEN FOOTBALL CAMPS

(U.P.)

Champaign, Ill.—Seventy-five candidates reported for work yesterday as Coach Bob Zuppke opened his 19th year at the University of Illinois.

Bloomington, Ind.—Fifty-four candidates for the 1930 Indiana university football team held their first practice in a downpour of rain. Head Coach Pat Page said he was well pleased with the light squad available.

Minneapolis, Minn.—Fritz Crisler made his debut as head coach at Minnesota yesterday and sent a squad of 85 men through a long drill.

Evanston, Ill.—Faced with the task of whipping his team into shape in three weeks, while Tulane, the opening opponent will have five weeks of practice, Coach Dick Haney sent his Northwestern university squad through two long drills yesterday.

Chicago.—One of the best groups of backs in a decade gave the first day of practice at the University of Chicago a favorable aspect. A squad of 63 men—the largest in several years—reported for work to Coach Stagg.

Iowa City.—With his team shattered by graduation and ineligibility, Coach Burton Ingwersen has less than 50 candidates for the 1930 Iowa team.

Madison, Wis.—Coach Glenn Fiestelwaite plans to have his Wisconsin gridiron candidates ready for scrimmage before the end of the week. The squad of 60 men was sent through a light workout yesterday and two long drills are a prospect today.

Ann Arbor, Mich.—Five full teams have been selected for football workouts at Michigan. Coach Kipke has less than two weeks to prepare his squad for the double header against Denison and Michigan Normal, Sept. 27, and has ordered no workouts daily.

Columbus, O.—With the opening of classes delayed until Oct. 1, Coach Sam Willaman has ordered two practices daily for his Ohio State gridlers. Seventy-nine men reported for the opening drill yesterday and the squad appeared unusually fit and much harder than cent Buckeye squads.

South Bend, Ind.—Although Notre Dame's 1930 football squad at present includes only 120 men—the smallest number of recent years—addition of freshmen and late comers is expected to increase the group to 300 before the end of the week.

wounds. The attending physician stated that while the burns were painful, they were not of a serious nature.

They're Visitors Now

London.—(U.P.)—Foreign guests in Great Britain in the future will be known as "visitors" and not "aliens" by order of the Home Office.

PARIS MURDER STARTS DRIVE ON LUNACY LAW

Hatchet Killing of Stenographer by Discharged Lunatic Ires Group

By Richard D. McMillan (United Press Staff Correspondent)

Paris, Sept. 16.—(U.P.)—When a Spaniard, Pose Garcia, battered to death with a hatchet a pretty young Parisian stenographer who refused his attentions and then confessed that he had just recently been released from an asylum, a public outcry began throughout France which may lead to a complete revision of the existing lunacy laws.

Doctors, educational experts, social reformers and newspaper editors are joined in the campaign to induce the French Parliament to study and reshape the existing law of 1838, claiming that there are far too many half-crazy people at liberty, which partly explains the appalling murder statistics in this country since the World War.

Protections of psychiatrists agree that mentally diseased people are too easily allowed their freedom under the 1838 law. As long ago as 1902 a project of reform was talked of. It was talked of until 1914, for 2 years, and then the madness of individual was forgotten in the madness of war.

The reformers claim it is scandalously easy for relatives to secure the freedom of a person certified insane; it is even asserted that, because of the big numbers of inmates in these institutions, the authorities are glad to be relieved of patient for whom complete sanity is claimed. Figures adduced by the reformers prove the asylums are crowded. In the Parisian area alone there are nearly 25,000 insane inmates.

The agitators for a change in the law point out that a half-crazy individual released from a mental institution often suffers a delusion of a grievance against someone. It is simple for him to go into a gunsmith's, freely buy any gun or guns he wants, and then go and wreak havoc and death among those he imagines to be his enemies.

ANNUAL MEET OF BAPTISTS OPENS TODAY

(CONTINUED FROM PAGE ONE)

Mission society gave an address, after which Rev. D. G. Dunkin of Warsaw spoke concerning Stewardship. A business meeting was scheduled for 3:10 o'clock this afternoon to be followed by an address at 3:20 o'clock, "A Trumpet Call to Action" by Rev. S. G. Huntington.

Young People Meet

The session tonight is to be Young People's Session and the Young People's Association of the church will meet in the basement of the church. At the same time the adults will hold their regular program in the church auditorium.

LYCEUM COURSE IS ANNOUNCED

(CONTINUED FROM PAGE ONE)

gram consisting of two plays, the first, "Wanted: A Cook" and the second, "Under Orders." The program will contain both musical numbers and dramatic entertainment.

The final program of the Lyceum course will be presented on Monday, March 23, by Elliott James,

who features liquid air demonstrations. Mr. James presents startling experiments and gives the simple explanations of his acts.

It is an annual custom for the senior class to sponsor similar lyceum programs during the winter months, and every indication is that the present series of programs will exceed all others presented in this city. Those who plan to attend are asked to secure season tickets early.

Dierkes Auto Wrecking Co.

A Twentieth Century Economy

This is indeed what DIERKES AUTO WRECKING CO., Nuttman Ave., DECATUR, Phone 322, is to the automobile owner of today. Why? Because—they have everything in the way of used automobile parts, which can mean only one thing to the people of Decatur and adjoining territory—Economy.

This economy is made possible because of the large amount of business they transact and because of the fact that you do not have to buy a new part ever time something goes wrong, for here you can buy used parts which means a great saving to you.

They buy used cars, and also wrecked cars, which are sometimes as good as new and disassemble them to sell the parts, which in many cases haven't been truly broken in yet. These parts are as good as new and are sold at prices that can not fail to appeal to automobile owners.

Another thing to be considered is the reliability of the firm from which you buy a used part.

Whether it be Tires, Tubes, Rims, Bearings, Pistons, Pins, Axles, Wheels, Fenders, or whatever it may be, they have it. Just call at their Store on Nuttman Ave., at DECATUR, and see the assortment of Used Parts and you will be convinced why they can sell for less.

Whenever you are in need of a Part or Used Tire for your Auto, you will find that you will save money if you pay a visit to DIERKES AUTO WRECKING CO., and furthermore you will be given a "Square Deal at all Times."
