### Town Talk

It seems like ever newspaper I pick up has a picture of some beautiful, long-legged young woman who has just married an octogenarian or is being questioned in police court or has been found murdered in a lonely spot, or is being held in connection with some awful crime, or has just been restored to her maiden name and given \$500 a week. I'll say this for the newly poor, they carry 'emself ten times more modestly an' sensibly than the newly rich.

**NOTICE TO TAXPAYERS**  
Notice is hereby given that Monday, November 2, 1930, will be the last day to pay your fall installment of taxes. The county treasurer's office will be open from 8 A. M. to 4 P. M. during the tax paying season. All taxes not paid by that time will become delinquent and a 10% penalty will be added. Those who have bought or sold property and wish a division of taxes are asked to come in at once.

Call on the Auditor for errors and any reductions. The Treasurer can make no corrections.

The Treasurer will not be responsible for the penalty of delinquent taxes resulting from the omission of taxpayer to state definitely on what property, they desire to pay, in whose name it may be found, in what township or corporation it is situated.

Persons owing delinquent taxes should pay them at once, the law is such that there is no option left for the Treasurer but enforce the collection of delinquent taxes.

The annual sale of delinquent lands and lots will take place on the second Monday in February 1931 at 10:00 A. M.

County orders will not be paid to anyone owing delinquent taxes. All persons are warned against them.

No receipts will be held after expiration of time, as the new depositor law requires the Treasurer to make daily deposits.

Particular attention: If you pay taxes in more than one township mention the fact to the Treasurer also see that your receipts call for all your real estate and personal property.

In making inquiries of the Treasurer regarding taxes to insure reply do not fail to include return postage.

### CHICAGO MAYOR IN OPEN BREAK

(CONTINUED FROM PAGE ONE)

To clear up the mystery take one from me."

He also said that he had sent bundles of the circulars to all negro ministers with the suggestion that they "might see fit to call this to the attention of your congregation in any manner you deem advisable."

The mayor also took time from his official duties to direct a few emphatic remarks at prohibition, unemployment and the plight of American farmers.

"I shall never cast my vote," the mayor said, "for any person who is a dry and who stands for the Volstead act and the other iniquitous, inhuman and fanatical laws. The throwing of 2,000,000 men out of work through this unwise legislation has helped create a near catastrophe."

Thompson explained that his organization had supported Mrs. McCormick in the primary not because I was interested in her but because I thought it was for the best interests of our people that Senator Deen should not be re-nominated."
