Mrs. A. Artman, president, had charge of the devotional services, and Miss Mina Collier of Indianapolis sang a vocal solo. The numbers for the quilt which the society made recently were gathered in and the quilt was presented to Mrs. George H. Shosenberg. The proceeds from the quilt for the society were \$26.50.

At the close of the afternoon Mrs. Burk served lovely refreshments. The next meeting will be held with Mrs. Ida Chronister on Mercer avenue in two weeks.

PRESBYTERIAN LADIES HOLD MEMORIAL SERVICE

The Women's Home and Foreign Missionary Society of the Presbyterian church met at the home of

Mrs. C. C. Langston on South Third street, Thursday afternoon. The Mesdames Fred Smith and J. R. Horton were the assisting hostesses. Mrs. Dore B. Erwin, president, gave a beautiful Memorial service for Mrs. M. J. Wertzberger, devoted and loved member of the society who very recently passed away. Mrs. Erwin told of her beautiful Christian life, and stated she always did each task that was given her willingly and with a smile. "Never did she shirk responsibility and she could always be depended on, on all occasions. Because of her activities in the society she will be missed greatly," Mrs. Erwin fittingly concluded this service with an appropriate poem.

Mrs. J. C. Sutton had charge of the devotional services and during the business session yearly reports of the secretary and treasurer were given. Committees were appointed and definite plans were made for the Presbyterian meeting to be held in this city on Tuesday and Wednesday, April 28 and 29.

Mrs. Harry H. Ferntheil had charge of the study program for the afternoon and she presented an interesting and well organized report of the "Negro." She told many true incidents from missionaries in mission fields in America and in Africa. These incidents showed the real problems of the missionary worker and the real conditions of the negroes in all countries.

Mrs. Ferntheil described the conference held in the south where 100 prominent women of the southern states met with five negro women and discussed inter-racial problems. As a result of the conference many social service clubs and day nurseries were established and this is believed to be the beginning of the uplift of the negro race.

At the close of the afternoon dainty refreshments were served by the hostesses to the thirty-three members present.

MISSIONARY SOCIETY PLANS PANCAKE SUPPER

Twenty five members of the Women's Home Missionary Society of the Methodist Episcopal Church attended the meeting which was held at the home of Mrs. R. D. Myers Thursday afternoon.

The devotional and Easter box were conducted by Mrs. John Rex, after which a round table discussion on "Youth at Play" was held, and Miss Patricia Rose Edwards gave a reading.

The Easter message was presented by Rev. B. H. Franklin, and Mrs. Amos Yoder sang a vocal selection. A Home Missionary message was given by Sam Polovina, who stressed very much the Christianizing, conversation, and education giving to the foreigners in this land, and sending them back to their own land.

The regular business of the organization was conducted, and a Free Will Lenten offering was lifted, after which the meeting was closed with the benediction.

Plans were made for the pancake supper which the Society will sponsor Thursday night, April 9, from five to seven o'clock, in the church basement. The supper will be conducted by the Pillsbury people, who will send a chef and the supplies necessary for the meal, which will consist of pancakes, sausages, salad, and coffee, for thirty five cents. Additional pancakes will be served free.

Announcement was also made of the Fort Wayne District Convention which will be held the latter part of May, in Auburn.

Following the meeting, the hostesses the Mesdames Paul Edwards, Homer Lower, J. M. Miller, A. J. Smith and John Niblick, and R. D. Myers served dainty refreshments of tea and cake.

Ford Plant Uses More Water Than 4 Cities

Dearborn, Mich., April 3.—(U.P.)—With the recent opening of a tunnel which connected the Ford Motor Company's River Rouge plant with a branch of the Detroit river, more water was made available to the Ford plant than is used by four of the largest cities in the United States.

The two-mile tunnel has a capacity for 913,600,000 gallons of water daily, which is more than is used by Detroit, Washington, Philadelphia, and Cincinnati combined.

The additional water supply was needed to increase the output of the power plant, and thus permit greater production.

WORK BEGUN ON NEW U. S. PRISON FOR NORTHEAST

Site For Model Pen 26-Acre Tract in Pennsylvania

Lewistown, Pa., April 2.—(U.P.)—Preliminary construction has started on the world's most modern prison, the new United States Federal penitentiary for the Northeastern district, on a 26-acre tract in Kelly township, Pennsylvania.

Construction work of the general outline and the first unit is in charge of the Great Lakes Construction Company of Chicago. The contract, awarded for \$2,751,000 calls for completion of the first section, to accommodate about 1,500 prisoners, in 425 working days.

Ten-Year Program
The entire project covers a 10-year building program, an expenditure of about \$12,000,000 and a penitentiary to accommodate 5,000 prisoners to be drawn from the northeastern section of the United States.

The builders' first task was grading of the site by removing from eight to ten inches of the top soil over the 26-acre area, jurisdiction over which has been ceded the federal government by Pennsylvania.

The wall, which will surround the tract, will rise 21 feet and will be eight feet below the surface. Estimates of materials to be used included 3,500,000 bricks; 650,000 square feet of cement block; 65,000 barrels of cement; 70,000 tons of sand; 60,000 tons of cut stone; and 30,000 tons of other stone.

Wells are being dug to provide adequate water supply. The Reading railroad has run a two-mile siding to the tract. Electric lines and telephone wires are being strung from here.

New Ideas
Within the walls construction will express some of the new ideas in prison arrangement and penal practice to be developed at the penitentiary.

The familiar "big house" of most prisons will be missing. Accommodations will range from a small block with inside cells for less tractable inmates to small dormitory apartments for the most peaceable prisoners, offering them living quarters on par with those of an average-salaried person. Conduct and character will determine occupancy of the more favored dormitories.

Inside the walls, too, will be buildings providing kitchen, baking, refrigerating, butchering and manufacturing facilities; classrooms and laboratories; a hospital; a radio room; a theater and auditorium and a comfortable library. Outdoors extensive fields for farming and dairying have been planned.

(CONTINUED ON PAGE THREE)

tend the simple services. The sermon will be delivered by the Rev. Charles L. O'Donnell, president of Notre Dame. He will be assisted by the Rev. Father, Michael Mulcaire, vice-president and chairman of the board of athletic control, and Father Raymond Murch.

Six of the stars of Rockne's 1930 championship team were chosen to day to serve as pallbearers. The six players, selected by Mrs. Rockne and the coaching staff, were Tom Conley, of Philadelphia, 1930 captain; Captain-elect Tommy Yarr, of Chinacum, Wash.; Marchmont Schwartz, of Bay St. Louis, Miss.; Frank Carideo, All American quarterback, of Mount Vernon, N. Y.; Martin Brill, of Philadelphia, and Lawrence Mullins of Los Angeles.

An effort was started today to have all members of the class of age

1914, the year Rockne was graduated, present for the services.

From all parts of the nation men came to pay their last respects to the great coach who met death in an airplane accident in Kansas last Tuesday.

Among the more prominent persons either here or on their way were Jimmy Phelan, University of Washington coach and captain of the 1917 team; Chick Meehan, New York university coach; Dr. R. N. Blackwell, business manager of athletics, Southern Methodist university; Adam Walsh, Yale line coach; Vic Hansen, Syracuse coach; Ed Thorpe, New York, who officiated many Notre Dame games; Charles Dorais, Detroit coach and teammate of Rockne; and all of the "Four Horsemen."

Throughout the night members of the Notre Dame Monogram club stood guard over the body. Frank Carideo, all-American quarterback, and Marchmont Schwartz, superb halfback who won many games last season for Notre Dame by his long runs at critical moments, formed the first guard.

Mrs. Rockne, who arrived last night from Florida with her two youngest children, had stood up remarkably well under the strain.

She has refused to give way to her emotions in her greatest hour of grief.

Rockne's 72-year-old mother, who brought Knute to this country from Norway when he was five years old, also stood up remarkably well under the ordeal centering her have all members of the class of age

Internationality Disputed

Lindau, Bavaria, April 3.—(U.P.)—The question as to whether Lake Constance is international territory—one which vexed several governments during the war—has been solved to his own satisfaction by

the proprietor of a ferry plying between German, Swiss and Austrian ports. He claims the lake is international, therefore customs free, and sells German tobacco, or Swiss liquors, without any tax, cheaper than they can be bought in the country of origin.
