

Yellow Jackets Start New Year With Win Over Portland

PANTHERS ARE NO MATCH FOR LOCAL NETTERS

Final Score Is 39-17; Curtis Uses Entire Squad In Contest

Decatur high school Yellow Jackets easily defeated Portland high school basketball team at Decatur high school gymnasium Friday night before a good-sized New Year's night crowd. The final score was 39-17 and easily could have been twice that much.

In the only preliminary the older Decatur high school alumni defeated last year's net team by a count of 18-14, after the 1930 aggregation rallied to tie the score late in the game.

In the big game, Decatur got off to a poor start and Portland took a 4-1 lead. In about the middle of the first quarter the offensive guns started firing and from that time on it was a question of how much.

The first half ended with the count 20-8 for Decatur. Feazel, Hill and Ogg led the way from the top of the key in the opening stanza. Ogg counted twice from the field; Feazel sank three fielders and Hill scored a field goal and three free throws. Other points were scored by Buffenbarger and Gay.

Coach Herb Curtis substituted freely and often during the entire second half, and the Decatur team played blind man's bluff most of the last quarter. Every member of the Yellow Jacket squad saw action in last night's nightmare.

For the Panthers, Bergman was best both on offense and defense while Money was a close second. The Portland team played a sort of a zone defense, but it was not effective and the Jackets broke through many times.

KIRKLAND LOSES TO LANCASTER

Kirkland high school Kangaroos lost and early established lead to Lancaster township high school basketball team at Kirkland Friday night and as a result were defeated 15-9 in an interesting game.

The Kirkland second team lost 17-15 in a double overtime to their rivals from across the county line. Both the Kirkland teams were handicapped by the loss of a player. Borne, second team center is still on the injured list and Zimmerman, first team center is out. He did play about three minutes of the third quarter but it was necessary for the star center to retire to the bench.

In the big game the Kangaroos led by Beineke rolled up a 5-0 lead in the first quarter. In the second quarter Lancaster held Kirkland scoreless while they annexed four points to make the half time count 5-4.

In the third quarter Beineke added three points for Kirkland while the Wells county team was counting five points to take a lead of 8-8. The Kangaroos had a lot of tough luck on hitting the net in the final quarter and added only one point while the visitors annexed six points for a final score of 15-9.

CLOVERLEAFS BATTLE HOUSE OF DAVID TEAM

Tonight's Game Expected To Be Highlight of Local Pro Season

Straight from Benton Harbor comes the original House of David basketball team which will battle Decatur Cloverleafs at Catholic high school gymnasium at 8 o'clock tonight. The Cloverleafs lost a week ago to a team purporting to be the bewhiskered aggregation but it was a House of David team from Buffalo, N. Y.

Both teams representing the House of David, however, are regarded as high class professional net teams and while they have not played each other, sport critics regard one about as good as the other, giving a slight edge to the Benton Harbor aggregation.

Bob Hill, manager of the Cloverleafs said today that the entire Cloverleaf lineup would be in tonight's scrap. A few days ago when the Cloverleafs met the House of David team two stars, Horton and Mylott were missing from the lineup.

A preliminary has been arranged for 7 o'clock and the big game will start at 8 o'clock. Tickets can be secured at the door tonight.

EAST DEFEATS WEST GRIDDEERS

San Francisco, Jan. 2.—(U.P.)—The palm went to the east today for its single touchdown victory over the west in a muddy battle of the all-Americans here New Year's day.

Eastern power and weight undermined western speed on the soggy, rain soaked gridiron at Kezar stadium, where some 60,000 watched Jim Purvis of Purdue clinch the game, 6 to 0, with a touchdown in the opening period.

With the lone score on the records, the game became a punting duel broken only by Clark Hinkle's two desperate but unavailing efforts to cross the western goal in the last quarter. The Bucknell star made some of the greatest line plunges of the game in that final rush.

It was the third all-Eastern victory in the seventh meeting with all-westerners, the west having won four of the previous games. The team brought from the east by Andy Kerr of Colgate and Dick Hanley of Northwestern deserved to win, but rain prevented the west from making as brilliant a showing as it might have.

Bill Morton of Dartmouth, Gene McEver of Tennessee, Pete Somers of Minnesota, Reb Russell of Northwestern and Rus Rehholz of Wisconsin shared backfield honors with Hinkle. It was Morton's winning exchange of punts that put the east in scoring position.

Starting from the west's 24-yard line, east east worked the ball to the two-yard line. Frank Hoffman, Notre Dame's great guard, opened a hole through which Purvis dashed over the goal.

Merle Hufford, fleet back from Washington university, bolstered the western defense and his kicking took the losers out of many bad spots. But Hufford, Bud Toscani of St. Mary's and Weldon Mason of Southern Methodist could get nowhere in the mud and the few passes they attempted were knocked down.

The east tried two passes, both of which failed, making its nine first downs through the line. The west made only one first down and that on a penalty. One of its four tosses was intercepted.

The two lines were powers on offense and defense, with eastern weight turning the tide against the west. John Orsi and Paul Marsland of Colgate, Dallas Marvill of Northwestern, Herm Hickman of

Athletic Director At Wisconsin

Irwin C. Uteritz, 32, football assistant at Wisconsin since 1925, was appointed director of intercollegiate athletics at the University of Wisconsin Tuesday. He has been assistant athletic director to Mr. Little the past two years.

Tennessee, George Chalmers of New York university and George Ellert of Syracuse all made the east's line smashes count.

For the west, Paul Schwegler of Washington, George Koster and Charles Justice of Nebraska, Glenn Edwards and George Hurley of Washington State, Basil Wilkerson of Oklahoma A. & M., and Charles Ehrhorn of Stanford all did good work. There were so many stars, in fact, that they militated against each other and flashes of brilliance were few.

Honolulu, T. H., Jan. 2.—(U.P.)—A 59-yard pass backed up by superior offense and defense work gave the University of Oklahoma a 7 to 0 victory over the University of Hawaii in their New Year's inter-sectional football game here.
