Paris Styles

By Mary Knight
Press Staff Correspondent

(UP)—When the beautiful actress, Griffith, accompanied Prince of Wales, goes to see the picture, "Lily Chastine," she will wear a Paris designed by Madame Schiaparelli. It is an exciting new material, a fine jersey moulded closely to the body.

A new fabric has the appearance of soft rubberized silk but rustles and glistens just as if it were silk. It is being made in Paris. One of the evening models that this designer has created for the season has a triangular pocket on the corsage above the belt. A powder puff may be kept in it. A new kind of chic to give a ballroom swag.

Behind the Scenes in Hollywood

By HARRISON CARROLL
Copyright, 1932, King Features Syndicate, Inc.

HOLLYWOOD, Cal., June 10.—Mystery films will have much more important casts this year in Hollywood.

Paramount has just assigned Richard Arlen to "Riddle Me This," which already boasted of two big names in Edmund Lowe and Victor McLaglen. The tendency is otherwise evident in Harold Lloyd's halfway consent to star in "Whistling in the Dark" for United Artists.

The comedian is withholding a final decision until he sees Ernest Truax play it on the stage here at the Belasco Theater.

One of the reasons for Hollywood's whetted interest in these thrillers is that they abound in action—and action is what everybody agrees the talkies need.

Big names are being put in the cast, because pictures without names clunk dizzily at the box-office these days.

Maybe this explains the disappearance of that old sweat shirt of Jack Oakie's.

The other day he ran across Harry Brand, one of our brighter wits.

"Well, my boy," boasted Jack, "the big money hasn't changed me."

"No," flipped Harry, "and it hasn't changed your shirt either."

WHAT THE GOSSIPS ARE WHISPERING

Gloria Swanson, they say, plans to use her husband, Michael Farmer, as her leading man in that British picture. Handsome, tall and of distinguished bearing, Farmer could easily pass as far as looks go. He's had no previous acting experience.

Wonder if it's true that Amelia Earhart Putnam carries a Mickey

club and for the past seven years has taught school at Geneva. At the present time he is principal of the Geneva high school.

Mr. and Mrs. Hunt will reside at Bloomington during the summer where Mr. Hunt is working on his Master's degree at Indiana University.

LOCAL CHAPTER HAS INSPECTION

The annual inspection of the local Tri Kappa sorority was held at the home of the president of the organization, Mrs. William Bell on Monroe street, Tuesday night.

The inspection meeting was in the form of a buffet supper and business session, followed by the examination of chapter members. Mrs. Karl Gilbert of LaGrange, province officer of province eight, who is the house guest of Mrs. Bell, was present at the meeting and conducted the examination.

At six-thirty o'clock a delicious buffet supper was served. The entertaining rooms of the Bell home were prettily decorated for the occasion with garden flowers. Mrs. Gilbert was presented with a corsage.

Following the supper, the regular business meeting of the sorority was held. Gifts were presented to the two new members, the Misses Louise Haubold and Mary Madeline Coverdale.

A social hour was enjoyed following the business meeting. The committee in charge of the arrangements for the supper included Miss Mary K. Schuz, chairman, and the Mesdames Avon Burk, Dan Tyndall and Dick Heller.

The Root township Girls 4-H Club will meet in the Monmouth high school Thursday afternoon, June 16, at one-thirty o'clock.

The tenth annual reunion of the Zimmerman family will be held Sunday, June 19, at the Legion Memorial Park on Winchester street, Decatur.

The Ladies Aid Society of the Presbyterian Church will meet with Mrs. C. A. Dugan Thursday afternoon at two-thirty o'clock. A full attendance is desired as this will be the last meeting until fall.

The Corinthian Class of the Christian Sunday School will not hold choir practice tonight on account of the musicale which will be given at the church Sunday night.

IMPROVEMENT CLUB HAS MEETING

The Decatur 4-H Improvement Club held its regular Tuesday afternoon meeting at the Decatur high school building. The regular sewing hour was enjoyed and was followed by a baking hour.

The instructors included the Mesdames Mabelle Myers, Ervin Schafer, Will Huffman, Bert Haley, Charles Teeple, Arthur Miller, and

Mouse doll as a flying mascot. . . . It's too funny, that uproar at Warner Brothers over Ruth Chatterton's oversight. Ruth is a daffy fan about jig-saw puzzles. She won't allow anybody else to touch them. And now she's gone away to Europe leaving a 3,000 piece puzzle on the table in her studio bungalow. . . . Proudest boy in the graduating class at California Prep School was Jackie Davis. Sister Mildred Davis and Harold Lloyd were in the auditorium to see him get his diploma. . . . Maria Alba, who introduced beach pajamas to the South Seas, is negotiating to do a picture either at R-K-O or Columbia. . . . With Bing Crosby not due here until tomorrow, three girls already have telephoned the Paramount Studio leaving numbers for him to call.

The hue and cry over Tom Mix's return to the movies wasn't empty words after all. Tom's first four pictures have stood up so well at the box-office that Universal has just given him a contract for a series of six more Westerns. These will be in addition to the two more he has to make under the original agreement. Next one, which starts Monday, will be called "Pony Boy."

Young Richard Cromwell entered the films the hardest way—as an unknown—chosen to fill Richard Barthelmess' shoes in the talkie remake of "Tol-lemake David." He gave a creditable account of himself and now, after variable fortunes, he'll play the masculine lead at R-K-O in "Fraternity House."

This once was a play by Martin Flavin, titled "Crossroads." Arline Judge will have the feminine lead.

Hartford, Conn.—(UP)—An effect of the business depression observed by U. S. Immigration Inspector Laurent L. Martineau is the return to their homelands of numerous foreign-born residents. An average of 150 aliens a month have sought re-entry permits so they could go to their home countries and return here when business picks up, he said.

"CARS ARE LIKE HUMANS" says this Nurse

Miss Lane learns from Mrs. Chester Orchard, nurse of Peoria, Ill., that cars, as well as humans, need good care. The Orchards have driven a Ford Model A 30,280 miles.

An Interview by MARGARET LANE

Reporter, London Daily Express and International News Service

ANY NURSE will tell you the same. A clean system spells a clean bill of health. And that goes for cars, as well.

Ask Mrs. Chester Orchard of 716 West Maywood, Peoria, Illinois. She's both a nurse and a motorist, and she sees the clean running of her car the same way she keeps a trained eye on the health of her baby daughter.

"I don't know much about a car's insides," she admitted.

Mrs. Orchard's 30,280 trouble-free miles prove again what Iso-Vis has demonstrated in laboratory tests and in A.A.A. tests on the Indianapolis Speedway—Positive Lubrication Protection. Iso-Vis (a Standard Oil product) will not thin out from dilution. See the Ball and Bottle Test at Standard Oil stations and dealers.

"but there is one sure way to make it run smooth and give no trouble. My husband put me up to it. He insisted I use Iso-Vis and he was right."

We drove fast and smooth from her suburban home the odd mile to the hospital. "What's wrong with that?" she smiled, flicking off the ignition, "sounds pretty good, doesn't it?"

"Well, I suppose I take good care of her. I have her overhauled as conscientiously as I
