It takes those good old CARTER'S LITTLE LIVER PILLS to get these two pounds of bile flowing freely and make you feel "up and up." They contain wonderful, harmless, gentle vegetable extracts, among which is the secret to making the bile flow freely.

But don't take liver pills, ask for Carter's Little Liver Pills. Look for the same Carter's Little Liver Pill on the red label. Present a substitute. 25¢ at all stores. © 1931 G. M. Co.

WAKE UP YOUR LIVER BILE — WITHOUT CALOMEL

And You'll Jump Out of Bed in the Morning Rarin' to Go

If you feel sour and sick and the world looks puny, don't swallow a lot of salts, mineral oil, laxative candy or chewing gum and expect them to make you suddenly bright and buoyant and full of vim.

For they can't do it. They only move the bowels and a more movement doesn't set at the cause. The reason for your down-and-out feeling is your liver. It should pour out two pounds of bile into your bowels daily.

If this bile is not flowing freely, your food doesn't digest. It just decays in the bowels. Give up your stomach. You have a thick, bad taste and your breath is foul, skin often breaks out in blisters. Your head aches and you feel down and out. Your whole system is poisoned.

register 10 victories this season when he turned in the Cubs' victory. The Cards ended the Pirates' winning streak at seven straight.

Shanty Hogan's first home run of the season enabled the Giants to nose out the Braves, 5 to 4. They were the only games scheduled.

The last-place Boston Red Sox provided an upset by overwhelming the leading Yankees, 11 to 6. Home runs by Myer and Judge enabled the Senators to down the Athletics, 7 to 5.

They were the only games scheduled.

Yesterday's Hero: Lonnie Warneke of the Chicago Cubs, who became the first National league pitcher to score 10 victories this season when he hurled the winning game which enabled the Cubs to take the league lead.

Conrad, local heavyweight fighter, showed much better form last night than two weeks ago and tamed his opponent with ease.

Another contest is scheduled to take place in two weeks.

CUBS AGAIN
LEAD LEAGUE

New York, July 2. — (UPI) — The Chicago Cubs have taken the National league lead for the seventh time this season, replacing the Pittsburgh Pirates. Past performances favor the Cubs finishing the tight pennant race on top.

Rogers Hornsby's men have been on top consistently. The Cubs have set the pace for 49 days. The Boston Braves were on top for only 18 days during five periods of supremacy.

Although the Cubs have won 37 games and lost 30, they are tied with Cincinnati for last place in club batting, with an average of 2.65, and they rank fourth in club fielding at .969. Outside of the excellent mound work contributed by Lonnie Warneke and Guy Bush, their pitching has not been above the .500 mark.

But Hornsby has inspired his men with the determination to win ball games. This fighting spirit makes them look as the outstanding contenders for the pennant in the opinion of close observers of the game.

The Cubs wrested the lead from the Pirates yesterday by an 8 to 4 victory over the Reds, while the Pirates dropped a 5 to 3 decision to the St. Louis Cardinals, who advanced to a fourth-place tie with the idle Phillies.

Because of the three games, Manager Doc Sneed said today that the Cubs will be here for reserve if Schneider and Horton become tired.

The admission prices will remain the same, it was said and all three games will be played at the high school athletic field.

But veteran coaches, who are holding the stopwatches on their athletes away from the glare of publicity, hint of great deeds to come. After a few interviews you get the impression that there is a potential breaker of records in almost every college.

The consensus of the coaches seems to be this:

baseball fans will have an opportunity to see three baseball games over the week-end and holiday. Sneed's Decatur team will meet the Fort Wayne Browns Sunday afternoon at 2:30 o'clock. The Allen county team has the best record of any Fort Wayne semi-professional team this season.
