Used First Railroad Whistle
Leicester, Eng. and. (U. P.)—The first railway in the Midlands, running between Leicester and Swanton, and built by Robert Stephenson, has celebrated its centenary and now is part of one of Britain's big railroad groups. It was on this line that the steam whistle was first used, obviating the necessity of blowing the hand horn.

Governor Roosevelt Leads President Hoover in Literary Digest Poll

Governor Franklin D. Roosevelt, Democratic candidate for President of the United States leads President Hoover in the Literary Digest's "straw" poll this week, the Democratic nominee having a greater number of popular and electoral votes to his credit.

Eleven states are listed this week in the Digest's poll and based on the number of popular votes received by both candidates, Roosevelt is credited with 135 and Hoover with 93.

More than 200,000 votes have been cast for the two presidential nominees. Roosevelt has 102,185 and Hoover 100,323.

"The significant feature of the poll is that nearly 40 per cent. of Roosevelt's strength is coming from former Republican voters as against nearly 45 per cent. from Democrats while Hoover is gaining only slightly over 6 per cent. of this votes from erstwhile Democrats and 80 per cent. from Republican adherents, according to an analysis of "how the same voters voted in 1928."

"On the basis of the current returns each of these political rivals is carrying his opponent's home state. Roosevelt is leading in California with 63.08 per cent. of the state's total vote while Hoover leads Roosevelt in New York with 47.22 per cent. of the state's vote, as against Roosevelt 43.46 per cent.

"Roosevelt continues to lead Hoover in Pennsylvania by a 10 per cent. margin, gaining over 46 per cent. of his strength here from Republican voters at the last quadrennial election.

"The returns from Maine show an opposite trend from the recent gubernatorial election there. Hoover is carrying the state by a percentage of 55.15 to Roosevelt's 40.44, although Roosevelt is drawing more of his votes from Republican ranks than he is from Democratic.

"Ohio gives Roosevelt a clear majority of the state's vote with the President trailing with 42.12 per cent. of the total tabulated so far. In Illinois and Indiana, the Democratic candidate also has a majority while his Republican rival is polling 43.86 per cent and 44.17 per cent. respectively in these states.

"Similar to last week's returns, in none of the eleven states reporting is Roosevelt shown obtaining less than 25 per cent. of his strength from the Republican columns while Hoover does not obtain more than 8 per cent. of his current votes from Democratic partisans of four years ago.

"A state by state tabulation shows:

California	Hoover	Roosevelt
	4,119	7,985

What is the PRICE OF BEAUTY?

Without health there can be little natural beauty. The wise woman knows that the condition of her body shows itself on her face, her complexion, and in her eyes.

She takes care to avoid constipation. This treacherous ailment frequently causes headaches, sallow skin, pimples, premature aging.

Try the pleasant "cereal way" to protect yourself from constipation. Science has proved that Kellogg's ALL-BRAN provides "bulk" to exercise the intestines, and Vitamin B to tone the intestinal tract. ALL-BRAN also furnishes iron, which helps build up the blood.

The "bulk" in this delicious cereal is much like that of lettuce. How much safer than abusing your system with pills and drugs—so often habit-forming!

Two tablespoonfuls daily will correct most types of constipation. If ALL-BRAN is not habit-forming, if your intestinal trouble is not relieved this way, see your doctor.

Get the red-and-green package at your grocer's. Made by Kellogg in Battle Creek.
