DECATUR LOSES FIRST GAME TO ST. MARYS, O.

Independents Suffer First Loss of Season Here Sunday, 6 To 0

In a rough game with the St. Marys, Ohio, eleven, the Decatur Independents were defeated by a score of 6 to 0, Sunday afternoon at Niblick field.

The locals were considerably outplayed by their opponents.

During the first half both teams displayed a good brand of defensive football and neither team was able to get into scoring territory. The Decatur eleven made 30 yards from scrimmage and 20 yards on passes and succeeded in making four first downs. The visitors made 50 yards from scrimmage and 17 yards on completed passes.

Decatur completed one out of three attempts at passing, and St. Marys three out of six.

Early in the third quarter, Hollman, right halfback for St. Marys intercepted a Decatur pass and ran twenty-five yards for the only score of the game. During this play Decatur had been called off sides and according to the rules St. Marys was given their choice of the penalty or the run. They failed to make the extra point on a pass.

The rest of the game was extremely rough and many penalties were called on both teams. Decatur made 27 yards from scrimmage and 90 yards on passes but made only two first downs. St. Marys made 16 yards from scrimmage and only one first down. Decatur completed five out of 15 attempted passes.

MICHIGAN IN BIG TEN LEAD

Three Teams Actually Tied But Wolverines Appear To Be Strongest

Chicago, Oct. 24.—(U.P.)—Another Big Ten football championship for Michigan appeared likely today as a result of the third week's play in the western conference.

Three teams are tied for the lead but Michigan's record entitles the Wolverines not only to first ranking in the Big Ten but to a prominent place among the nation's strongest eleven.

The three unbeaten Big Ten leaders are Michigan, Chicago and Purdue. Michigan has won three conference games, while Chicago has won only one and Purdue has won two but suffered a tie.

Michigan continued its triumphant march last week by crushing Illinois, 32-0, and flashing a strong running attack for the first time against conference competition. The Wolverines gained 419 yards from scrimmage, of which 296 was plunging and running. Ted Petoskey, converted end, led the attack with 187 yards in 21 attempts.

In the Big Ten's most exciting game of the season, Northwestern came from behind to tie Purdue, 7-7, in the last five minutes of play and spoil the Boiler-makers' hitherto untarnished record.

For the third time in succession Purdue gained more than 300 yards from scrimmage but netted only

LEAGUE ADOPTS SALARY LIMIT

American Association Heads Decide On Drastic Economy Measures

Chicago, Oct. 24.—(U.P.)—A monthly salary limit of \$6,500 and a playing schedule one week shorter than last year have been adopted by the American Association for the next season as a result of a meeting of the club owners here over the week-end.

The monthly salary limit is the first adopted by the association in its 31 years of existence.

The 1932 season will open April 12 and close Sept. 17, a week earlier than last year. The usual 168 games, however, will be played. The shorter season will enable the pennant winners in the association and International league to complete the junior world series before the world series commences.

The spring training season will be limited to four weeks, with the starting date set at March 12.

A committee composed of President T. J. Hickey, Norman A. Perry of Indianapolis, Louis Nahn of Milwaukee, and L. S. Mas-Pheil, Columbus, was appointed to work out a plan to keep intact the association's present membership which has never changed since the league was started.

This committee also will confer with similar committees from the International League and American Association on class AA matters. MacPhail was appointed chairman.

No action was taken on a proposal to reduce the player limit from 20 to 17.
