Went heavily with a fast start in the fourth quarter, Decatur A. C.'s registering a 13-point victory over the Huntington Elks Wednesday at the Decatur high gym. Huntington had a 25-22 lead at the end of the third quarter but trailed only one point in the period, while Decatur was away for 14 points. The game was close throughout the first three quarters, which was marked by rallies and counter-attacks by the two quintets. At the start, Huntington led 11-10 and at the half Decatur had the lead by one point, 17-16.

The Central eighth graders went on a scoring spree last night at Monroeville to defeat the Monroeville eighth grader 33 to 6. The local team has lost only one game this year, to Berne, and later defeated Berne by a decisive margin.

Horton and Dick Steele the scoring aces for the team last night. Horton, running at forward and center, took four from the field and free throws for a total of 13. Steele followed closely after field goals and three free throws for 11 points. Bell was the only other Decatur player to score more than once from the bench.

Lest you forget! The Bluffton Tigers will be guests of the Yellow Jackets tomorrow night. And what a party we will have. There is nothing quite like these Decatur-Bluffton battles to keep the fans interested. A real turnout is expected, with a mob of Bluffton fans coming over for the battle.

Fastidious Taste in Tobacco Curbed Roaming of 'Romanoff'

Colorful "Prince Michael," Who Prefers Bogus Royalty to Pants Pressing, Again in Durance—Betrayed by My Lady Nicotine.

ELLIS ISLAND BOUND
HENRY GURGUSON
The arrest in New York while engaged in purchasing a supply of favorite \$10-a-pound smoking mixture, another act has been written in the colorful saga of "Prince Michael Romanoff," who was born in the United States immigration authorities, the Prince is again a problem on their hands, for although he had been previously reported, Prince Mike asserts that he is an American citizen. Mike's trip across the bounding main is said to have been made as a stowaway on the liner Europa. He had better luck this time than when he attempted the trick on the French liner Ile de France. His Highness was caught on that occasion and, after a series of colorful incidents, one of which was the drinking of his guard under the table in a New York speakeasy, Prince Mike was shipped back to France, where he served months for taking French leave on a French liner. On still another occasion, the near-Romanoff roamed off from Ellis Island and swam to the Battery. Although Mike's imposture is known far and wide, he has made welcome in the salons (one O) of London, Paris and New York, for the "Prince" is a likeable chap with the manners of a Chesterfield and the easy nonchalance of a Romanoff he pretends to be. However, when Mike is in the toils he drops his royal role and sticks to his story of American citizenship. But if the Immigration Department chose to disbelieve him, His Royal Highness will indeed be a man without a country.

DIEGEL, WHO IS THE AGUA CALIENTE PRO, WILL BE ONE OF THE CONTENDERS IN THE BIG TOURNEY HELD THERE JAN. 11 TO 14.

That was a fine rally the A.C.'s staged in the final quarter last night to hand the Huntington Elks a 13-point trimming. Victory was revenge for the locals as they were defeated at Huntington last week by a five-point margin.

The Central eighth graders showed promise of being future Yellow Jackets. Hurst, center, rang up a total of 17 points last night and Irwin, a forward, scored 12 points. That is just fair basket shooting.

is still a very sizeable purse, however.

Diegel is one of the most colorful of all the pros. He has more nicknames than any other living golfer—"Larrupin Leo," "Eagle Diegel" and "Mexican Jumping Bean" among them—and Leo answers to all of them, including "Hey!" He is the most brilliant but also the most inconsistent of all the pros. They say that Leo can score lower and higher on the same course than any other competitor.

Diegel is very excitable, and his high-strung temperament has cost him many a victory on the links. He used to call himself the "Jack Sharkey of golf"—always blowing up at the crucial moments. However, after that last Sharkey-Schmelzberg, some wise-cracker said that if Leo is the Sharkey of the links, he ought to get in touch with "Gun-

The county was wrangled with armed men.

There were 300 militia men, garbed in steel helmets and armed with rifles with bayonets affixed. In the group was a machine gun detachment.

Fifty sheriff's deputies, revolver on their hips, patrolled streets.

At each mine were 10 heavily armed guards employed by the coal company. In addition 200 working miners were deputized as an added defensive force. And any of the 1,000 miners working in the county who so desired were allowed to carry weapons for their own protection.

Only three conference games are scheduled this week. Friday night Columbia City plays at Kendallville and Auburn plays at Central of Fort Wayne. Saturday night Columbia City plays at Garrett. The Decatur-Bluffton game Friday night does not count in the conference standing as the two teams met later in the season at Bluffton.

Shanghai affair a national emergency, unless Nanking decided to treat the fighting as a local incident.

The Japanese declared they intended to retain control of Shanghai "pending a settlement."

Railroad service was resumed between Mukden and Shanghai.

Trains were operating on the Tientsin line as far as Tangshan and there was a limited service to Chinwangtow.

Pretty much of a lull in basketball last night. Only a few college games were played. DePauw defeated Wittenberg, 32-22; Detroit, U. whipped St. Johns of Toledo, 31-23; Earlham defeated Centen-

main, more than 20 miles being in the two routes. At a minimum cost of \$200 per mile, the county will save more than \$4,000 yearly.

Agreement was reached several months ago between the board of county commissioners and the State highway commission, when Adams county agreed to pay its assessment for right-of-ways on state road number 16, east of Decatur and on state road number 27 at Monroe and south to Decatur. The assessment was about \$12,000 and through a contract made by County Attorney Henry B. Heller the amount was reduced to \$7,700.

Chris Elcher, county road super-

intendent was notified of the state highway commission's action today.
