Oppose Change

Attica, Ohio, Jan. 28.—(Special)—The Ohio Benjamin Franklin highway association in special session here this week went on record as opposed to any deviation from the route of the highway as originally planned from Philadelphia to Omaha.

Indiana men, including one member of the Indiana highway commission, proposed a new routing across Indiana through Fort Wayne. The present route of the highway through Indiana is U. S. 24 to Huntington, then Indiana 16 through Decatur to the Ohio State line.

ADAMS COUNTY TOURNEY OPENS

Hartford, Geneva, Berne And Jefferson Win Opening Games

The annual Adams county first team tourney opened before a capacity crowd at the Berne auditorium Friday night, with favorites coming through about as expected. Hartford, Geneva, Berne and Jefferson survived the first round play.

As was predicted, the Berne-Kirkland game was the feature of the evening. The Bears came from behind to nose out the Kangaroos by two points, 28 to 26. Kirkland took an early lead, the Bears trailing at the half, 17 to 12, and at the third quarter, 22 to 19. With the opening of the final period, Berne started hitting and ran their score to 28 points while holding Kirkland without a point. At this time Yager went out on personal and the Kangaroos hit twice from the field to come within two points at the final gun.

Hartford and Jefferson both scored fairly easy victories while Geneva sprang a mild surprise by upsetting Pleasant Mills, 28 to 21. Lineups and summaries of all games:

ORGANIZATION BILL SURE OF BEING PASSED

CONTINUED FROM PAGE ONE
V. McNair emphasized today, "We merely want the change to effect further economies and more efficiency."

To Have Control
The governor, besides having absolute control of the executive division, will also have nominal control of the other seven divisions. He would be a member of the boards of control in each of the eight divisions.

With him will be either the lieutenant governor, the division heads or appointees. Thus he is assured control of the departments unless one of the department heads opposed him.

The governor also can appoint all employees of the departments except for a deputy which each department head is allowed to appoint.

Powers to make the transfers as soon as the bill becomes a law is given the governor. If he has not

done so by June 30, the bill provides the action automatically. Provisions of the bill empower the governor to wipe out all the 86 state boards and commissions. It has been indicated, however, that most of the boards will be retained, such as the institutional ones, though perhaps not in their present forms.

The bill's passage is certain because 73 representatives and 35 senators signed it.

COMMODORES LOSE 29 TO 26 AFTER TRAILING BY TEN POINTS

Trailing ten points shortly after the fourth quarter opened, the Decatur Commodores staged a sensational rally only to be nosed out by three points by Central Catholic at the Ft. Wayne Catholic Community Center Friday night, 29 to 26.

The Commodores led at only one time during the game, Don Hess sinking a free throw during the first minute of play. C. C. took an 8-1 lead on two baskets by Bresnahan and two by Agenbroad. Jim Lose cut this margin to 8-3 at the quarter with two free throws.

Central Catholic maintained the five-point margin at the end of the half, the Irish leading at the intermission, 17-12. Three field goals by Braden and one by Murphy accounted for the Commodores' points during this period.

A field goal and free throw by Braden cut C. C.'s lead to two points at the start of the third quarter but the Irish pulled away again to lead 24 to 17 at the end of the quarter.

A field goal by McArdle and a foul toss by Bresnahan increased Fort Wayne's margin to 27-17. Two field goals by Eddie Hess and one by Hain cut this lead to 27-23. Hain then counted two points when fouled twice and C. C. was leading by only two points with two minutes of play remaining.

At this point, Braden committed his fourth personal and was removed from the ball game. McArdle got loose for a field goal that sewed up the ball game. Don Hess scored the final point of the game on a free throw.

Braden was outstanding for the Commodores, both on offense and defense. The Decatur center scored nine points on four field goals and a foul toss, while holding his larger opponent to eight points. Murphy, Eddie Hess and Hain each scored four points for the Commodores.

McArdle led C. C. with eight points, closely followed by Becker with seven points. Agenbroad and Bresnahan each scored five points.

In the preliminary game, the Commodore reserves were decisively defeated by the Central Catholic seconds, 28 to 8.
