Fuzzless Peach Nearing Perfection On Coast

Boise, Idaho.—(U.P.)—Development of a "fuzzless" peach which may be eaten without the customary irritation to the mouth, has made rapid progress in Idaho during the past season, farm agencies reported.

The peach, technically termed as the "Candoka peach," is deep red in color, resembling somewhat an apple. It lacks down and may be ripened on the tree for shipment.

NOTICE TO TAXPAYERS

Notice is hereby given that Monday, November 6, 1933 will be the last day to pay your Fall installment of taxes. The county treasurer's office will be open from 8 A. M. to 4 P. M. during the tax paying season. All taxes not paid by that time will become delinquent and a 5% penalty will be added. Also interest at the rate of 8% will be charged from the date of delinquency until paid. Those who have bought or sold property and wish a division of taxes are asked to come in at once. Call on the Auditor for errors and any reductions. The Treasurer can make no corrections.

The Treasurer will not be responsible for the penalty of delinquent taxes resulting from the omission of tax-payers to state definitely on what property they desire to pay, in whose name it may be found, in what township or corporation it is situated.

Persons owing delinquent taxes should pay them at once, the law is such that there is no option left for the Treasurer but enforce the collection of delinquent taxes.

The annual sale of delinquent lands and lots will take place on the second Monday in February 1934 at 10:00 A. M.

County orders will not be paid to anyone owing delinquent taxes. All persons are warned against them.

No receipts or checks will be held after expiration of time, as the new depository law requires the Treasurer to make daily deposit.

Particular attention, if you pay taxes in more than one township mention the fact to the Treasurer, also see that your receipts call for all your real estate and personal property.

In making inquiries of the Treasurer regarding taxes to insure reply do not fail to include return postage.

CONVICTS ARE REPORTED SEEN IN TERRE HAUTE

(CONTINUED FROM PAGE ONE)

Twenty-four members of the force accompanied Peeney and Captain Matt Leach on a well armed expedition into Ohio yesterday morning where they staged a raid on a house in Hamilton said to have harbored the gang which freed John Dillinger from the Lima, Ohio, jail last week. No one was in the house. Through questioning of Frank Pierpont, Leipsic, O., the officers

learned that six gangsters, five of whom were in the Michigan City prison break, stayed at his home where the release of Dillinger was planned.

Dillinger, suspected bank robber and Indiana public enemy No. 1, was taken from the jail after Sheriff Jess L. Sarber was fatally wounded.

According to Captain Leach the gang was composed of Harry Pierpont, (brother of Frank), Russell Clark, John Hamilton, Edward Sfiouse and Charles Mackley, all escaped prisoners, and Harry Copeland, who was paroled both from the Indiana and Ohio penitentiary.

The Hamilton house is said to be Copeland's hideout.

Members of the gang are also credited with holdup of the Auburn, Ind., police station Saturday night, where they equipped themselves with sub-machine guns, revolvers, ammunition and bullet-proof vests.

According to Captain Leach this

was all part of a well thought-out plan.

He had assigned Detective Vernon Shields to watch the Pierpont house at Leipsic but Shields returned to statehouse headquarters before the gang arrived there for a three-day stay, Captain Leach reported.

All Identified

Lima, O., Oct. 17.—(U.P.)—All five men who raided the Allen county jail, killing Sheriff Jess Sarber and liberating a prisoner, have been identified as members of the band of convicts which escaped from the Michigan City, Ind., prison, police announced here today.

"It is just a matter of time," said Bernard Rooney, inspector of detectives, "until we run into them. When we do, we'll have a complete case against them."

Yesterday a posse from Lima seized a small sedan in a private garage in Hamilton, O., and identified it as belonging to the gang. Returning to Lima today, the posse rested briefly and set out on another mission to an unannounced destination. Two federal agents accompanied them.

FIX PRICES IN OIL INDUSTRY

minimums for retailers to these wholesale minimums.

On gasoline, the order provided that the spread between tank car prices and retail prices should be not more than 5 1/2 cents a gallon on low grade gasoline of which the dealer shall receive not less than three cents. On high grade, the spread shall be not less than 6 1/2 cents a gallon and not less than four cents shall go to the dealer.

The minimums may be protested before Nov. 15 and are subject to change by the petroleum administrative board.

The projected price fixing is the government's first venture into this realm under any code.

Weeks of bickering before promulgation of the oil code indicated that the minimums would be contested vigorously, possibly by the Standard Oil Company of New Jer-

Knapp, however, insists that the neighbors never had objected to the colony.

"We didn't bother them and they didn't bother us," he said.

Knapp declared he would restrain the retraining order. He claims that her parents nudism on the farm long became a popular fancy.
