NOTICE OF FINAL SETTLEMENT OF ESTATE

Notice is hereby given to the creditors, heirs and legatees of Abraham Stoneburner, deceased, to appear in the Adams Circuit Court, held at Decatur, Indiana, on the 4 day of November, 1933, and show cause, if any, why the final settlement accounts with the estate of said decedent should not be approved, and said heirs are notified to then and there make proof of heirship, and receive their distributive shares.

Israel Stoneburner co-executor Decatur, Indiana October 12, 1933. Attorney Nathan C. Nelson.

NOTICE TO TAXPAYERS

Notice is hereby given that Monday, November 6, 1933 will be the last day to pay your Fall installment of taxes. The county Treasurer's office will be open from 8 A. M. to 4 P. M. during the tax paying season. All taxes not paid by that time will become delinquent and a 2% penalty will be added. Also interest at the rate of 8% will be charged from the date of delinquency until paid. Those who have bought or sold property and wish a division of taxes are asked to come in at once. Call on the Auditor for errors and any reductions. The Treasurer can make no corrections.

The Treasurer will not be responsible for the penalty of delinquent taxes resulting from the omission of tax-payers to state definitely on what property they desire to pay, in whose name it may be found, in what township or corporation it is situated.

Persons owing delinquent taxes should pay them at once, the law is such that there is no option left for the Treasurer but enforce the collection of delinquent taxes.

The annual sale of delinquent lands and lots will take place on the second Monday in February 1934 at 10:00 A. M.

County orders will not be paid to anyone owing delinquent taxes. All persons are warned against them. No receipts or checks will be held after expiration of time, as the new depository law requires the Treasurer to make daily deposit.

Particular attention, if you pay taxes in more than one township mention the fact to the Treasurer, also see that your receipts call for all your real estate and personal property.

In making inquiries of the Treasurer regarding taxes to insure reply do not fail to include return postage.

FAVOR TAXING OF PROPERTIES

(CONTINUED FROM PAGE ONE)

Walsman in the matter.

The law originally was intended to exempt only property actually occupied by religious, charitable and educational organizations. But it has been extended to include commercial properties, many of which have been used to institutions with the donors receiving annuities from income of the property.

In Indianapolis it is estimated that \$40,000,000 of the \$90,000,000 worth of property owned by these agencies should be taxed.
