EVANGELICAL SOCIETY
HAS INTERESTING MEET

The Evangelical Missionary So-
ciety met at the church Thursday

afternoon with Mrs. Fred McCon-
nell and members of the February

section in charge. Mrs. Arthur Baker
conducted the devotionals, fol-
lowed by two songs and sentence
prayers led by Mrs. George Dutcher.

A piano solo was played by Mrs.
Ivan Stuckey, and a vocal duet was

sung by Mrs. Eugene Runyon and

Mrs. Adler. Mrs. Runyon had

charge of the lesson study on the

34 years old and as far
as my life I have been consti-
tuted so bad that I had one
movement every five or six
I was taking every kind of
known for constipation.

For the last two months I
have been eating a little ALL-BRAN

and morning and I have at
least three bowel movements
a day." —Mr. Frank Piratzky,

St. Corona, Long Island, New
York.

Analysed tests show Kellogg's
BRAN as a cereal with milk or
sugar or honey or fresh
fruits. Made by Kellogg in
Grocers. Made by Kellogg in
the Creek.

It is safer than taking harm-
ful medicines? Two table-
spoons daily are usually suffi-
cient. Severe cases with each meal,
relieved this way, see your

doctor.

Kellogg's
BRAN is much
in leafy vegetables.
In this body, it forms a soft mass,
which clears out the intestines
wastes.

It is also a fine source of iron
in the blood.
