Dehner Buys Valuable Horse

Gold medal club work is beginning to accomplish some results in Adams county. This movement has quickened the interest in better colts and to continue having better colts calls for the introduction of better breeding stock.

Henry Dehner, chairman of the gold medal club committee has been fortunate enough to secure a 3-year-old Red Belgium stable horse named Paul De Fosteu, No. 17,531. This splendid 2,200 pounds horse was purchased last year near Indianapolis, and the former owner showed him at the state fair and he showed in the money in his class.

Mr. Dehner's home is in Union township, 3 miles east and 4 1/2 miles north of Decatur. Anyone wishing to see this animal may see him at the Dehner farm.

Union Township Farmer Struck

Jacob Wagoner, prominent farmer of Union township was struck by lightning, Tuesday afternoon during a storm which visited that part of the county.

Mr. Wagoner was in the field when hit by the bolt of lightning. He was unconscious until this morning. He was reported better this afternoon and hope is extended for his recovery.

Thayer, Mo.—(U.P.)—The manufacture of staves for whiskey and beer barrels, revived with the end of prohibition, is proving an important source of income here. Demand has increased steadily as more breweries and distilleries get into production.
