## BEHIND THE SCENES in HOLLYWOOD

By HARRISON CARROLL  
Copyright, 1934  
King Features Syndicate, Inc.

### Shirley Temple

Brown and Arthur Freed have composed in "The Carlo", a dance number in five-four time. Although familiar in symphonic arrangements, this time has never been used before for a popular number, according to Brown.

"The Carlo" will be introduced in the Metro-Goldwyn-Mayer picture, "The Student Tour", in which Jimmy Durante, Phil Regan, Charles Butterworth, Maxine Doyle and other players will be featured.

### Ever the showman, Douglass Fairbanks

With his usual sense of drama, not to mention a knowledge of what makes headlines, Doug and his film troupe arrived in Seville, Spain, on the birthdate of Miguel de Manara—Don Juan to the star, whose current picture, of course, celebrates the amorous exploits of the fastidious lover, endeared himself to the populace by placing a wreath on Don Juan's statue.

If reports be true, you'll not be seeing Doug in this country until September, at least. Original plans called for his film to be premiered in this country, but United Artists has set the picture for later American release and now London gets the first showing.

### In addition to acting as M. G. M.'s music copyright expert, Herman Frommel has, of all things, been delving into Jimmy Durante's family tree.

He emerges from the lower branches with the amazing declaration that Schnozzle is the direct descendant of the sixteenth century Italian composer, Francisco Durante. Which may or may not account for "Inka Dinka Doo".

### DID YOU KNOW?

That Lyle Talbot started his career as a magician at the age of 16?

### LEGION AUXILIARY PLANS FOR CONFERENCE

The American Legion Auxiliary met in the Legion Hall Tuesday night for a business and social meeting. During the business session plans were made for the conference to be held here on June 24. Mrs. Blanche Robinson, of East Chicago, state president, will be present and a luncheon has been planned in her honor at the noon hour. Mrs. Robinson will speak at the afternoon meeting.

### ENTERTAINS AT TEA FOR HOUSE GUEST

Miss Mary Frances Dodd entertained with a beautifully appointed tea Tuesday afternoon at her home on North Second street, complimenting her house guest, Miss Anne Cawthon of Nashville, Tennessee.

Mrs. Dodd, mother of the hostess, and Dorothy Ann Dodd, sister, assisted in receiving the guests. The home was beautifully decorated.

## PERSONALS

Willshire, Ohio, community sales are being held every other Saturday night and large crowds have attended the sales. The next one will be Saturday night at 7:30 o'clock, EST., and Fred Engle of this city will be one of the auctioneers.

### Governor Talks To College Graduates

Muncie, Ind., June 13.—(U.P.)—Drastic reduction of school budgets which necessitates lowering of educational standards, is false economy, Gov. Paul V. McNutt said here today in a commencement day address at Ball State Teachers College.

He outlined efforts of the state administration to provide funds for eight-month terms in all schools in Indiana.

"Nearly 3,000,000 persons between the ages of 18 and 20 in the United States now out of school and out of work are a 'lost generation,'" he said.

### Five Young Men Are Held For Burglary

Franklin, Ind., June 13.—(U.P.)—Rounded up on information provided by two convicts, five young men were held today on burglary charges in connection with a series of southern Indiana robberies.

Those held are William Thomas, 15, Paul Groves, 16, and Julius Moore, 20, all of Madison; Kessler L. Sarver, North Madison, and Carroll Scaif, Hayden.

They were implicated in confessions of Gideon Conley, 19, Jefferson county, and Solomon Scaif, 20, Jennings county, who are serving 10-year sentences in the state reformatory for automobile banditry.

### Federal Officers To Probe Tragedy

Liberty, N. Y., June 13.—(U.P.)—Investigation of the crash of an American Air Lines passenger plane in the Catskill Mountains with loss of seven lives, was turned over today to federal officials.

Dr. Victor Bourke, coroner, announced the inquiry would be held up pending arrival today of Washington officials. He would not say definitely whether the navy department had taken charge.

### Quintuplets' Mother Is Reported Serious

North Bay, Ont., June 13.—(U.P.)—Mrs. Olivia Dionne, young mother who gave birth to quintuplets 17 days ago, was reported in a serious condition today.

Mrs. Dionne, it was said, was "not so well. She had a very bad night."

The quintuplets, however, still thrived despite the pessimistic predictions of scientists at their birth that all of them could not live.

## For Week-end Wardrobes

By ELLEN WORTH

HERE is a frock you can wear two ways and a coat you will probably wear with ever so many other things. The dress would be extremely good looking in that rather rough cotton sheer that comes in such stunning plaids. Wear it plain and sleeveless for sports; add the cape for street wear on hot days. The coat, made of either light or dark plain material, with accessories to match, will make the ensemble casually formal for street wear.

One of the smartest of Paris fashion whims is the coolie coat of white, natural or pastel linen, worn over dark summer frocks. The design for the coat accompanying this ensemble is ideal for that purpose.

The New Fashion Book will help you plan your wardrobe. Send 10 cents for book.

Pattern No. 5556 is designed for sizes 14, 16, 18, 20 years, 32, 34, 36, 38, 40, 42 bust. (Size 16 requires 3 1/2 yards 36-inch material for the dress, 2 1/2 yards 36-inch material for the coat. Width about 1 1/2 yard.)

Send 15 cents in coin or stamps. Mail your order to New York Fashion Bureau, 222 West 39th St., New York. Print your name and address clearly and print pattern number, size or bust.

## PLAYED OUT!

Brown on: The rights of children. A diet was presented by Don Williams and Ruth Myers and a solo by Ruth Myers.

Prayers were read by Mrs. Baker and Mrs. Lillie Hill. Mrs. Robenold and Mrs. Brown, delegates to the recent convention at Plymouth, gave brief reports on the conference.

Mrs. Merryman, assisted by Mrs. Baker and Mrs. Alice Walters, served lunch following the meeting.

### MISSIONARY SOCIETY HOLDS PRAYER MEETING

The Home Missionary Society of the First Baptist church conducted a cottage prayer meeting at the home of Mr. and Mrs. Clifton Hare Tuesday evening.

Alice Brown gave the reading, "Where Are You Going?" and Ella Fay Ogg read the hundred twenty third Psalm. A song, "Just a Little Help from You" was sung by Mrs. R. A. McDuffee and the junior church children.

Kenneth Chilcote and Arthur Brown played a saxophone and cornet duet, and Wanda Brunner read the one hundredth Psalm. Arthur Brown played a cornet solo, and Mrs. Oren Brunner sang "Into my Heart."

Several choruses were sung by the junior church children. Lester Johnson had charge of the devotionals and prayer service.

The next meeting will be held at the home of Mrs. Harve Lammiman next Tuesday evening at seven-thirty o'clock.

### GOING DOWN...When your flow of energy ebbs...then smoke a Camel. Camels help to restore energy...quickly, pleasantly. Smoke them all you want. Camel's costlier tobaccos never upset your nerves!

## "Get a LIFT with a Camel!"

NOTE SENT TO GREAT BRITAIN IS CLARIFIED

(CONTINUED FROM PAGE ONE)  
goods or services. The intimation was left that similar consideration would be given to like proposals by other governments.

This was interpreted as leaving the door wide open to the debtor governments to come forward with definite proposals for making partial payments in goods and services, with the intimation that the balance of the debts must be paid in cash.

### Opens New Phase

Washington, June 13.—(U.P.)—The path toward a new deal on war debts was believed opened today by an official hint to Europe that it might pay at least part of the debt in goods and services.

This hint was conveyed to Great Britain in a formal note from Secretary of State Cordell Hull, delivered to the British ambassador here, Sir Ronald Lindsay. The note, however, generally was regarded as intended for the benefit of all debtor nations.

### Woman Broods Over Slaying, Kills Self

Kansas City, June 13.—(U.P.)—Mrs. Dorothy Ellwell, of Chicago, a victim of remorse, died early today in the General hospital of a self-inflicted pistol wound.

Mrs. Ellwell was exonerated by a coroner's jury recently of charges of murdering her husband, James Ellwell, on a plea of self defense. She brooded over the slaying, police were told by relatives, and in March attempted to commit suicide in Indianapolis by inhaling gas.

Police called when employees of a small hotel here heard a shot in her room last night found her lying on her bed with a bullet wound in her head. Nearby lay

### David Lloyd George Is Reported As Ill

London, June 13.—(U.P.)—David Lloyd George, war time prime minister, was suffering from a slight chill today. He is 71.

### Youthful Slayer Is Questioned Today

Brownstown, Ind., June 13.—(U.P.)—Robert Neal, 20, Bloomington, one of three young bandits accused of slaying two southern Indiana peace officers June 4, was brought here today for questioning by a special session of the Jackson county grand jury.

Patrolman John Pfaffenberger, Seymour, and deputy sheriff Harold Amick, Scottsburg, were shot down while attempting to capture the youths.

The grand jury here was summoned to investigate Pfaffenberger's death.

Neal is under indictment in connection with Amick's death and is scheduled to go on trial Friday at Jeffersonville.

### Sweethearts' Quarrel Ends In Girl's Death

Newburg, Ind., June 13.—(U.P.)—Search for Miss Gayola Seals, 19, who disappeared from her home Saturday night after a quarrel with her sweetheart, William Hurley, was ended today with recovery of her body from the Ohio river.

Mr. and Mrs. A. R. Seals, parents of the girl, believed she had carried out a threat to drown herself because of the dispute.

Hurley said they quarreled over his insistence that they be married immediately while she wished to postpone the wedding.
