LARGE SCORES IN TWO GAMES

General Electric And St. Mary's Score Easy Victories

One-sided games marked play in the Decatur softball leagues Thursday night at the South Ward diamond. In the opener, the G. E. defeated Schafer Hardware, 12 to 1, and in the nightcap St. Mary's

downed the Methodists, 21 to 3. The G. E. scored in every inning but the second and fifth to pile up the winning margin. A total of 12 hits were pounded out by the victors. The Schafer team scored only in the second, when a single and double produced a run.

Falling to score in only one inning, the St. Mary's team, undefeated league leader, swamped the Methodists under a 21 to 3 count. The winners tallied seven times in the second frame and six in the fourth. The victors obtained 18 hits and were aided by 15 methodical errors. The losers counted twice in the sixth and once in the seventh.

LOSS OF GROVE HURTS RED SOX

Detroit Retains League Lead; Cubs Gain On Giants

New York, Aug. 3.—(U.P.)—Boston's red-faced Red Sox departed from the Yankee stadium last night muttering something about a "hundred thousand dollar sore arm."

Traced to its source, the comment refers to the aching elbow of Robert Moses Grove, a high priced specimen of ivory who was retailed to the Boston club by Connie Mack.

The Athletics are in seventh place today, but Connie Mack profited heavily in transactions in baseball merchandise last winter, including the sale of Grove to Boston for \$100,000 and no doubt will be able to endure.

Boston, now in fourth place, is nine games out of first, and the Red Sox point to that margin as exactly the difference between the number of games Grove has won and the number he was expected to win. Grove has won four; he was figured for twenty.

The Red Sox are batting .292. Bill Werber, Roy Johnson, Rick Ferrell, Carl Reynolds and Julius Solters are all hitting over .300. They have everything but pitching, and Grove might have supplied that. Yesterday they dropped the series to New York, three to one, losing to the Yankees in a barrage of hitting in which Gehrig accounted for a single, two doubles and a homer against Rube Walberg and Johnny Welch. The figures were 12-4.

Detroit remained at the top of the league as Elden Auker shut out Cleveland, 3-0.

St. Louis knocked off the closing game of their series with the White Sox, 9-8. Cliff's triple, West's double and Burns' triple scored three runs in the ninth to win the game.

Washington and Philadelphia were idle.

The Giants had a game of their four-game lead sliced off by the Boston Braves, Ed Brandt giving them only two hits in an 8-0 shut-out. Chicago won over St. Louis to gain a game on the leaders.

Woody English led the Cubs' attack, driving in four runs with a homer and two singles behind Bill Lee's nine-hit twirling. Chicago won, 6-2.

Brooklyn boosted itself into sixth place over the Phils, Al Lopez' homer in the ninth scoring an 8-7 victory over Philadelphia.

Pittsburgh stormed the Cincinnati Reds in the final game of the series, Red Lucas beating his former mates, 13-1.

PHEASANTS ARE RECEIVED HERE

Hundred And Fifty Ring-neck Pheasants Brought To County

An officer of the state conservation department brought 150 Chinese ring-neck pheasants to this city today to be distributed over the county by the Adams county fish and game conservation league.

The birds were taken to the Dallas Brown farm, one mile east of Decatur near the Dent school. They were placed in a special pen recently constructed for them by the league.

The pheasants are about half grown and will be freed at various points over the county next week. It will be necessary to release them near streams and water because of the drought.

The league now has 50 two-year-

old pheasants on the Brown farm. These birds will not be freed until next summer. The members of the league are expecting to get their eggs next year and raise pheasants. The 150 pheasants received today were raised on the Jasper-Pulaski game reserve at Medaryville.

purchase—revealed that the United States has moved upward from the date of passage of the NIRA, he said, while every other industrial country has retrogressed.

"It is bad enough to say that the president's program has not been responsible for recovery," he added, "but some go a step further and say it actually has retarded recovery."

"We welcome criticism, but we would rather prefer it to be true and both of these statements are not one inch short of libel on the public welfare."

From defense of NRA's economic position the general switch-

ed to a smoking assault on newspaper opponents, whom he scolded as "a weariness to the heart and a grievous ailment to the stomach."

Reporters, he said, are to be "prostitute their talents" and "rendered as news at the belated phony policy or opinion."

"I protest that it is not free of the press," he added, "to press or garble important matters of public affairs which have not to be in accord with some phony policy or opinion."

Miss Helen Koss has returned her home at Angola after spending the week here. She was accompanied home by Bobby Mutschler, who will visit in Angola a few days.
