WATCH THIS COLUMN DAILY

Copyrighted by DR. HARRY A. DEFERRARI

DOROTHY GRANGER. "Dorothy Granger" means "Gift of God" or "Blessed One."

GREEN. The English family name "Green" corresponds generally to "Verdi", although there is evidence that "Green" was frequently applied to people who lived near the village green.

THOMAS GREGG. "Thomas Gregg" means "Twin Son of the Watchman."

LEVY. The personal and family name "Levi" is of Hebrew origin, and may be translated "joined" or "joining." Its commonest variations are "Levy," "Lewy" and "Levin." However, the family name "Levin" may be traced back to an English source, also.

Local Republicans To Name Candidate

County republican committeemen are planning to hold a convention in the near future to name a candidate for auditor, who will oppose John W. Tyndall in the fall election. The date has not been determined but may be fixed late today.

Mr. Tyndall was nominated by a convention of county democratic precinct committeemen and committeewomen several weeks ago. He was appointed by the county commissioners following the death of the late Glen Cowan to fill the office until the first of the year when the new candidate will take office.

WASH OUT 15 MILES OF KIDNEY TUBES

Win Back Pep . . . Vigor . . . Vitality

Medical authorities agree that your kidneys contain 15 MILES of tiny tubes or filters which help to purify the blood and keep you healthy. If you have trouble with too frequent bladder passages with scanty amount causing burning and discomfort, the 15 MILES of kidney tubes need washing out. This danger signal may be the beginning of nagging backache, leg pains, loss of pep and vitality, getting up nights, lumbago, swollen feet and ankles, rheumatic pains and dizziness. If kidneys don't empty 3 times every day and get rid of 4 pounds of waste matter, your body will take up these poisons causing serious trouble. It may knock you out and lay you up for many months. Don't wait. Ask your druggist for DOAN'S PILLS . . . a doctor's prescription . . . which has been used successfully by millions of kidney sufferers for over 40 years. They give quick relief and will help to wash out the 15 MILES of kidney tubes.

But don't take chances with strong drugs or so-called "kidney cures" that claim to fix you up in 15 minutes, for they may seriously injure and irritate delicate tissues. Insist on DOAN'S PILLS . . . the old reliable relief that contain no "dope" or habit-forming drugs. Be sure you get DOAN'S PILLS at your druggist. © 1934, Foster-Milburn Co.
