

Yellow Jackets Will Meet Bluffton Tigers Friday

BITTER RIVALS BATTLE FRIDAY ON LOCAL GRID

Feature Attraction Of
Year's Schedule Will
Start At 3 p. m.

The battle of the season is near! Decatur's Yellow Jackets and Bluffton's Tigers, arch enemies for years and even more years, will battle for gridiron supremacy Friday afternoon.

The annual grudge fight will be staged at the Decatur high school athletic field, Adams and Thirtieth streets, with the kickoff scheduled for 3 o'clock.

Both teams can be depended on to give their all, to emerge victorious in this clash, the banner attraction of the year, and the one game toward which each eleven points all season.

Both the Yellow Jackets and Tigers enter Friday's clash with their most impressive records of many seasons. The Jackets have not tasted defeat this year, while the Tigers have been upset only once. Decatur has registered victories over Central Catholic of Fort Wayne, Auburn, Garrett, Portland and North Side of Ft. Wayne and has battled Central and South Side, both of Fort Wayne, to scoreless ties.

Bluffton has downed Garrett, Warsaw, Portland, Auburn and Columbia City and has lost only to South Side.

With the single exception of South Side, Bluffton's wins over teams both eleven have played, have been by more impressive scores than the Yellow Jackets have marked up. However, Decatur has been noted all season for sterling defensive play, while Bluffton has leaned more to an offensive type of game.

In other words, take your choice for Friday's winner.

With good weather, one of the largest crowds ever to witness a football game in Decatur is expected to turn out Friday. Unusually low admission prices will prevail. Adult tickets may be purchased for 25 cents and students will be admitted for 15 cents. In addition, chairs will be provided along the sidelines as reserved seats, and these will sell for 10 cents, in addition to the regular admission price.

Wrigley Becomes President Of Cubs

Chicago, Oct. 24—(UP)—The third place Chicago Cubs of the National league are embarked on a new deal designed to make them as strong on the field as they are on paper.

First step in a reorganization which will sweep the Cubs from business office to dugout was the resignation last night of President William H. Walker, who has been associated with the Cubs since the days of the old Federal League.

Walker's 1,274 shares in the club were bought by P. K. Wrigley, chewing gum magnate and majority stock holder; Wrigley announced that he will be elected president at a meeting of the club directors Friday.

Former Bluffton Employee Hunted

Bluffton, Oct. 24—(UP)—Statewide hunt for Mrs. Mary J. Tinkle, former city light and water employee, wanted in connection with an alleged \$1,456.27 shortage in cash accounts occurring several months ago, was instigated today by police here.

Mrs. Tinkle, discharged from her duties at the utility's office at the time the shortage was discovered, police say, disappeared the week of September 10, when a grand jury was asked to investigate the alleged discrepancy.

Suit against a New York bonding company has been filed in circuit court in an effort on Mrs. Tinkle's bond.
