SEX EDUCATION TO BE OFFERED ALL IN HAWAII

Sex education and guidance to children and parents will be furnished through the Social Hygiene Association of Hawaii, recently organized.

The organizers, consisting of doctors, teachers and private citizens, adopted a five-point program of objectives.

1. To furnish all who guide children with sound material and methods for sex education.

2. To preserve and strengthen the family as the basic social unit, through family counseling, and training for marriage and parenthood.

3. To seek the reduction of sexual delinquency.

4. To emphasize the responsibility of the community and individual for preserving or improving the quality of future generations by educative and social measures.

5. To foster character education from childhood to develop "better behavior in respects to sex in its attitudes, ideals, standards and broadest sense."

Dr. Roswell H. Johnson, who will lead the work of the association.

Miles E. Cary, association president, said the work "represents a pioneering effort to bring out into the open problems heretofore untouched."

Death Of Pet Frog Leads To Inquest

Hyannis, Mass. (U.P.)—Was it old age or was it just a broken heart that caused the death of Oscar, pet frog of children here?

Oscar 1½ years old, was found dead in a small aquarium in Miss Bertha Weber's classroom where it had made its home since pollywog days.

Miss Weber decided to get to the bottom of the mysterious death and held a trial before the townsfolk.

The case was adjudged a mistrial when the jury couldn't come to any satisfactory agreement.

Jail Record Lengthened

Toledo. (U.P.)—John Joseph, alias Neshib Abdallah, has had from two to 10 years added to the 23 out of the last 34 years of his life he has already spent in jail for burglaries. He is 50.

Carnegie Portrait Presented To Libraries for Centenary

ANDREW CARNEGIE

As a part of the Andrew Carnegie centennial celebration, the Carnegie Corporation of New York is presenting to all Carnegie libraries in the United States and the British Dominions and Colonies, a reproduction of a portrait of Andrew Carnegie by Luis Mora, framed for permanent display. The above is a picture of the Mora portrait.

Between 1881, when he built his first library in Dunfermline, Scotland, and 1917, when his library gifts ceased, Carnegie donated 2,911 public libraries in the English speaking world. Of these, 1,946 were built in the United States. Carnegie was born in Dunfermline, November 25, 1835. The Carnegie centennial celebration will be held in the United States November 25, 26 and 27.

The portrait of Andrew Carnegie, of which the above photograph is a copy, has been received by the Decatur public library.

Carnegie's library work in 1881, few American communities had free public libraries. The momentum he gave to the public library movement in America resulted in libraries for virtually every town.

The conditions of Carnegie's library gifts were that the community had to provide the site for the building, possess or obtain the books and suitable equipment and pledge an annual appropriation
