BEARS CAPTURE OPENING GAME

Berne Scores 39-13 Victory Over Monroe Bearkatz Friday Night

The Berne Bears, sectional and regional champions of last season, started the 1935-36 season with an easy 39-13 victory over the Monroe Bearkatz Friday night at the Berne auditorium.

As is usually the case in opening games, both teams played ragged ball. Berne led by a slim four-point margin, 13-9 at the half, but ran away with the ball game after the intermission.

Felber, rangy veteran forward, was the leading scorer with seven field goals and a free throw for 15 points. Dro tallied nine points for the winners.

Wolfe led Monroe with one field goal and a pair of foul tosses. The Bearkatz scored only twice from the field.

In the preliminary, the Berne seconds romped over the Monroe Reserves, 29 to 9.

Persons entering the state office building at Columbia, S. C., were subjected to search by national guard sentries posted by order of Gov. Olin D. Johnson, inset, who declared a "state of insurrection" existed as a result of his ouster of an adverse road administration.

New Army Head Faces Huge Task

Motorized army unit.

Gen. Malin Craig

Motorized field artillery.

General Malin Craig, new chief of staff of the United States army, faces a huge task in mechanizing the army. General Douglas MacArthur, his recent predecessor, started the work of making the army a more mobile defense unit, but the greater part of the job is up to the new chief of staff. General Craig was born in St. Joseph, Mo., in 1875, appointed to West Point in 1894 and saw his first service in the Spanish-American war. He helped quell the Boxer rebellion in China, fought the guerrillas in the Philippines and served with distinction in the World War. He was head of the War college at the time of his appointment as chief of staff.

HARTFORD FIVE BEATS KIRKLAND

Gorillas Score 24 To 13 Victory Over Kangaroos Friday Night

The Hartford Gorillas chalked up their second straight win of the season Friday night when they defeated the Kirkland Kangaroos at Kirkland, 24 to 13.

At the first half, Hartford held a 10-7 lead and pulled away gradually in the final two periods. The game was well played by both quintets.

Whiteman, Hartford center, was the outstanding star of the game with four field goals and six charity tosses for 14 points, one more than the entire Kirkland team tallied. Smith led the Kangaroos with three fielders and one free throw for seven points.

The Kirkland seconds nosed out a 25-21 victory in the preliminary over the Hartford reserves.

singer and dancer.

The state of North Carolina benefited \$2,000,000 by the decision from inheritance tax.

Christopher Smith Reynolds, Miss Holman's child, will receive 25 per cent of his father's estate, approximately \$6,662,350. The 5-year-old daughter of Anne Cannon receives 37½ per cent of the estate, estimated at \$9,459,625.

Miss Holman will receive \$750,000 which, with the award to her son, will represent slightly more than 25 per cent of the total estate.

Neither of the children nor Libby Holman, however, will receive the cash awards until November 5, 1939, when Smith Reynolds would have been 28 years old.

POTATO QUOTA

allotment totaling 222,068,000 bushels, leaving a 2 per cent reserve of 4,532,000 bushels to be used in correcting inequalities in the state quotas.

Individual allotments cannot be made, said J. B. Hutson, director of the AAA division of potatoes, until funds are provided for administrative expenses.

"We have asked the proper authorities whether we can use funds from certain sources," Hutson said. "We hope to have a ruling before the lack of funds seriously interferes with the work of making grower allotments."

"Studies of production, consumption and growers and retail prices indicate that a crop averaging between 350,000,000 and 355,000,000 bushels each year would tend to result in prices to consumer that would be lower on the average than those which prevailed during the base period 1919 to 1929. The elimination of the wide fluctuations in production and prices would result in lower marketing costs and potatoes of a better quality."

Hoagland Defeats Monmouth Friday

Monmouth high school lost its second game of the season Friday, Hoagland nosing out the Eagles in a hard-fought game at Hoagland, 18 to 17.

ed already concentrated at bases along the Seti river which forms the frontier of western Eritrea and Ethiopia over toward the Sudan frontier.

Military experts regard the possibility of such a drive as the most serious development since the outbreak of the war with Ethiopia.

It would bring the war home to Great Britain as no other development, perhaps, has done, for Lake Tana is the key to one of the great-

est irrigation projects ever conceived. It is the rising point of the Blue Nile that waters all the Sudan and Egypt.

Lake Tana is 150 miles south of the Eritrean frontier and 70 miles east of the Sudan frontier. It is, roughly, heart shaped, 40 miles wide at its broadest point and 40 miles long. The terrain is hilly.

The government, despairing of an honorable peace by negotiation, has made all preparations to combat League of Nations penalties. The country is approaching a real war basis.

DEATH CLAIMS

Rev. Vernon Riley, pastor of the Friends church at Monroe, will officiate and burial will be made in the Ray cemetery. The nephews of the deceased will act as pall bearers.

The body will be returned to the home tonight from the Lobenstein funeral home at Monroe and may be viewed after 6 o'clock.

Farmer Murdered By Three Gunmen

Britt, Iowa, Nov. 2—(UP)—One man was dead of gun shot wounds, a woman was wounded and two cars stolen at the hands of three desperate gunmen who were sought along Iowa highways today by state and county officials.

James Crostlick, 25 year old Britt farmer, was shot to death by the gunmen and his wife was wounded when he resisted demands he surrender his car.

J. C. Tritch, Fort Wayne was a visitor in Decatur today.

GENEVA LOSES OPENING TILT

Cardinals Are Defeated At Petroleum Friday Night, 27-10

The Geneva Cardinals dropped their opening game of the season Friday night, losing to the Petroleum Panthers at Petroleum, 27 to 10. Petroleum held a 15-4 margin at the half.

Egley was the leading scorer for the winners with four field goals and two free throws for a total of 10 points. Five Geneva men each scored two points.

In the preliminary game, the Petroleum seconds defeated the Geneva reserves, 30 to 24.

Carnera Whips German Fighter

New York, Nov. 2—(UP)—Former Champion Primo Carnera last night staged an impressive comeback by winning a fourth round technical knockout over Walter Neusel of Germany before more than 13,000 fans in Madison Square Garden.

In his first appearance since being knocked out by Joe Louis in June, the giant Italian battered the elongated blond German about the ring for the first three rounds. He gashed Neusel's right brow so badly in the fourth that the German quit cold, with blood spurting from the cut.

Will Question Young Roosevelt In Beating

Cambridge, Mass., Nov. 2—(UP)—John Roosevelt is to be interviewed in connection with a beating administered to an elderly janitor at Harvard's Dunster house last Saturday, police said today.

The president's youngest son, a Harvard sophomore, has explained that he attended the cocktail party which preceded the attack. But he said he and his girl friend left Dunster house before Frank Foster, 67, was beaten.

Dr. and Mrs. G. J. Kohne and Mr. and Mrs. Clifford Saylor went to Columbus this morning to attend the Ohio State-Notre Dame game.

Edison Widow, Mate Take Trip

Mr. and Mrs. Edward A. Hughes

Smiles wreathed the faces of Mr. Edward A. Hughes, retired man, and his new bride, widow of the late inventor, Thomas A. Edison, as the couple left on their honeymoon after a quiet marriage at Chautauqua, N. Y. They plan to live at the Edison estate in West Orange, N. J.

Tucson, Ariz. —(UP)—Pima Indians, whose reservation lies near here, today could read the catechism and prayers of the Roman Catholic church, of which most of them are members, in their own language. The creed, prayers and devotional services were translated into Pima by two Franciscan friars.

Des Moines, Ia.—(UP)—Barn colonies of passenger pigeons made their home in Iowa, Nauman, pigeon fancier, revealed. Their nests and covered areas from a few miles in extent in the forests.

Ford Enters New Field With Lincoln-Zephyr V-12

New Lincoln-Zephyr—TOP, The four-door sedan. BELOW, LEFT, a view of the distinctive front end of the new car, with chrome-plated bow-shaped radiator grille; and RIGHT, the luxurious interior of the rear section.

The V-12 Lincoln-Zephyr, product of the combined resources of Ford and Lincoln and newest entry in the medium-price field, is announced. Its exterior appearance and engineering design are considerably advanced, principles being utilized which have never before been put into actual motor car production.

It is the most completely streamlined car ever built in production volume and the first car to be built

on the American continent to have no orthodox chassis or chassis frame. The car comprises an all-steel "bridge truss" body of extraordinary strength in which the engine is mounted and to which the running gear is attached. Its body design is like that of the new streamlined trains.

Two-door and four-door sedan types are offered initially. Center of gravity is unusually low. Center-pole spring suspension is used. The wheelbase is 122 inches, springbase

133 inches. The Lincoln-built engine is rated at 110 horsepower. Transmission has quiet, helical gears in all speeds.

The floor of the car is at curb level. There are no conventional running boards. The chair type seats are high and occupants ride comfortably erect without leaning back, and without fatigue even on long trips. Safety glass is used in windshield and all windows, an important safety factor.
