CLUB ENJOYS SPLENDID PROGRAM

A splendid entertainment was presented to the members of the Woman's club under the auspices of the Music Section at the Baptist church Monday evening.

Mrs. Paul Aldridge organist at the Christ Lutheran church, Fort Wayne, played many beautiful religious and classical selections on the Concert Model Hammond organ which the Music Section of the club was instrumental in bringing to

going back to London next summer.

Just heard that Madeleine Carroll is another with a lucky number superstition. Hers is 26. Here are the impressive reasons. She was born on February 26, and her mother was 26 years old at the time. Madeleine graduated from Birmingham university on the 26th of the month, she married Philip Arley on the 26th, she arrived in Hollywood this time on the 26th and this February 26 was her 26th birthday.

Katharine Hepburn's well-known birdlike movements will be accomplished against odds, if at all, in "Mary of Scotland", because the star's 16 gowns, mostly of thick velvet, will average 15 pounds apiece. If you are interested in further statistics about this picture, La Hepburn tried out 30 different coiffures and will probably use 10. The make-up department studied 500 pictures of the queen before they set out to transform Katharine into her likeness.

What blonde feminine star quarreled with her actor boyfriend in front of a lot of people the other night and had to take a taxi home from the party?

HOLLYWOOD TICKER-TAPE—

Shirley Ross admits that her new admirer is of the duPont clan, but won't say who he is.

After a dog had raided her chicken yard, Allison Skipworth had a new fence put up, so she figures the remaining pullets are worth about \$27 apiece.

The reason Anita Louise accompanied Donald Woods to the Screen Actors' Guild ball was because Mrs. Woods, being ill, asked her to.

Now it is Al Scott with whom Jeannette MacDonald is going about.

The only thing salvaged from "I Loved a Soldier", as far as Dietrich is concerned, is a pair of black velvet and white satin Chinese pajamas, which she bought from her costumes for the picture.

And the Chester Morris are already planning a Honolulu trip for early summer. They have letters from Mamo Clark, so they ought to do all right.

DID YOU KNOW—

That Claude Rains is an expert at the deaf and dumb sign language?

Decatur, Mrs. Dan Tyndall, Miss Helen Haulbold and Miss Sara Jane Kauffman sang a group of songs. Mrs. L. A. Hothouse also sang several numbers.

During the regular business meeting of the club Mrs. Yager appointed Mrs. John Parrish and Mrs. John Tyndall to go over the rules of the club and revise them. A letter was read from the scout troop which the Woman's club sponsors, thanking the club for its recent donation of twenty-five dollars.

The United Brethren Ladies' aid will meet with Mrs. Delma Elzey Wednesday afternoon at two o'clock. Members are asked to please notice the change of day of meeting.

MRS. JERRY LIECHTY HOSTESS TO HER CLUB

Mrs. Jerry Liechty was hostess to an all day meeting of the M. W. F. Home Economics club recently. The day was spent in quilting. A pot luck dinner was enjoyed at noon.

Those who enjoyed the day were Mrs. Gilbert Stuckey, Mrs. Noah Graber, Mrs. Joel Sprunger, Mrs. Albert Huser, Mrs. Rufus Huser, Mrs. William Barry, Mrs. Alfred Lehman, Mrs. Dan Lehman, Mrs. Omer Lehman, Mrs. Jerry Liechty, Mrs. Edson Lehman and daughter Shirley, Mrs. Jeff Liechty, Miss Mary Jane Nassbaum, Billy Stuckey and Melvina Beery.

The March meeting will be held at the home of Mrs. Vance Maddox.

Both departments were handicapped by the lack of water but succeeded in extinguishing the flames, when spectators deemed it almost impossible. Trucks from both cities arrived at the same time, and cooperated splendidly in controlling the blaze.

to devise machinery for application of the oil embargo. Thus despite the week's time granted for Italy to reply, no time will be lost in intensifying the pressure of sanctions on her if she rejects the peace overtures. Likewise during the recess of the committee of 13, the penalties committee of 18 will continue work on means of reinforcing existing sanctions.

Describes Victory

Rome, Mar. 3—(U.P.)—The grim story of the waging of 20th century warfare against the warriors of Ethiopia was described today in a jubilant war communique from Marshal Pietro Badoglio.

He intimated plainly his belief that never in the history of warfare was such crushing force, such perfection of organization, brought into power in a colonial campaign

as was used last week during the rout of the Ethiopian army in the Tembien country of the northern front.

Badoglio, sent to Ethiopia, to retrieve a discouraging situation, has smashed three big Ethiopian armies.

Plan Conference

Rome, Mar. 3—(U.P.)—Premier Benito Mussolini will confer with leading statesmen of Austria and Hungary at Rome March 18, 19 and 20 on the Danubian situation, it was announced today.

The conference was announced immediately after a cabinet meeting at which Mussolini reported on the Ethiopian military situation and discussed Italy's attitude in view of the league of nations meeting at Geneva where imposition of an oil embargo against Italy is being considered.

It was indicated that the conference with Austria and Hungary was planned as a counter move to any league action. Austria and Hungary were aligned with Germany in the world war and have not applied league penalties against Italy.

There has been much talk in recent weeks of Italian efforts to align Germany, Austria, and Hungary with Italy against the league. Informed sources believe that there has been much more talk than action.

It was announced officially that Mussolini, at the cabinet meeting,

praised United States senators as "working for peace" when they extended neutrality legislation without adopting newer, severe measures that would have hindered Italy in its war on Ethiopia.

As regards the naval conference at London, Mussolini told the cabinet that such a political accord could not be signed by Italy as long as extension of league penalties was threatened. This had been announced previously at London.
