THE CITY OF DECATUR HAS ENGAGED MRS. ALMA HARSHBARGER TO GIVE FREE DEMONSTRATIONS ON THE NEW ELECTRIC RANGES WHICH HAVE BEEN INSTALLED IN THE K. OF P. HOME FOR THIS SPECIAL EVENT. IT IS STRICTLY A COOKING SCHOOL AND NO MERCHANDISE OF ANY KIND WILL BE ADVERTISED. THE DEMONSTRATION WILL BE DEVOTED EXCLUSIVELY TO SHOW THE HOUSEWIVES OF DECATUR HOW COOKING CAN BE DONE

Better - Faster - More Economically - Safer

Not only will Mrs. Alma Harshbarger answer your questions about cooking but she will also actually demonstrate how easy it is to cook and bake electrically. She will show you all the "short cuts" that make cooking and baking a pleasure. She will give you new recipes and will demonstrate how even the inexperienced can be an expert cook.

The Electric Department of the City of Decatur is sponsoring the show in an earnest effort to acquaint housewives with the many advantages of using electricity, and with the present low rates now in effect, prove that electric cooking is the best, cheapest and easiest to master.
