F. D. R. PLANS FOR ADDRESS

Roosevelt To Speak Saturday Night; Candidates In Spotlight

Washington, April 24 (UP)—President Roosevelt today cancelled his press conference because of a slight head cold and a desire to work uninterrupted on the speech he will deliver tomorrow night in New York before the National Democratic club.

Mr. Roosevelt cancelled all engagements and planned to spend the entire day on the draft of his address.

Cancellation of the press conference was the second this week. He called off the regular Tuesday meeting with newspaper men because of the death of Louis M. Howe, senior secretary.

The president plans to leave Washington tomorrow for New York City. He will spend the night at his New York home and on Sunday will motor to the summer White House at Hyde Park, N. Y., for a few days.

THIMBLE THEATER

"A CORNER ON THE HAMBURGER MARKET"

of the committee said she was "surprised at Senator Vandenberg."

"I thought the senator had a sense of humor," she said. "Maybe I'm wrong."

Sen. William E. Borah, R., Ind., demanded of Col. Frank Knox whether he approved of efforts allegedly being made in Illinois to persuade Republican convention delegates to "ignore the will of the people."

Borah said friends of Knox were trying to get the votes of delegates in districts carried by Borah in the primary.

At the same time Carl G. Bachmann, national campaign manager for Borah, said the Idaho senator had refused flatly an offer by supporters of Gov. Alf Landon of Kansas to collaborate in suggestions for the Republican convention platform.
