

Simple Meals Save Time For EARLY SUMMER SUNSHINE

Who wants to stay indoors when green fields, open roads, golf and tennis call to outdoor living? But since families must be fed, a certain amount of precious time must be spent in the kitchen. But you can cut it short by utilizing fewer and simpler dishes, and choosing those that may be at least partly planned in advance. Here are some menu suggestions for the cook who wants to put her kitchen hours on a budget of time saving.

Beer Beef Rolls
Cucumber Salad Mold
Coconut Crisps and Strawberries
Coffee

BEER BEEF ROLLS

In the morning mix 1 pound chopped beef, 2 cups bread crumbs, an egg and salt and pepper to taste. Shape in rolls, brown in shortening together with a minced onion and a carrot, 2 thin slices of garlic and a generous sprinkling of flour. An hour before dinner add a pinch of thyme, a bit of bay leaf, 3 slices of lemon, a cup each of beer and hot water. Cook slowly 1 hour. Serve encircled by noodles.

CUCUMBER SALAD MOLD

This salad may be made ready the day before it is to be served.

Add 1 cup crisp cucumbers, diced to 1 pint lemon gelatin, as the gelatin begins to thicken add 3 teaspoons minced pimento and 3

teaspoons finely cut onion. Chill in small molds and turn out on thick slices of tomato arranged on lettuce lined plates.

COCONUT CRISPS

Mix together 1/2 cup of sweetened condensed milk, 2 cups shredded coconut, 1 teaspoon rose water or vanilla and the stiffly whipped whites of 1 or 2 eggs. Drop by spoonfuls on buttered or waxed paper and bake in moderate oven.

Line mold with cooked rice. Chop meat and season to taste. Add cracker crumbs, meat stock or water to moisten and egg. Put in center of rice. Cover meat with rice and steam 45 minutes. Turn out and serve with tomato sauce.

SAVORY SALAD

1 head lettuce
2 cups thinly sliced cabbage
1 cup diced celery
2 apples diced
2 pimentos chopped, and juice
mayonnaise
cloves of garlic

Rub bowl with clove of garlic. Mix all the chilled ingredients in bowl with French dressing. Top each serving with a tablespoon of mayonnaise.

In addition, the bill recognizes the policy that flood prevention is a federal responsibility and calls upon benefitting communities to share in the costs.

Townsend Under Fire at Probe

Dr. Francis E. Townsend Representative Jasper Bell

"You and I have the world by the tail on a downhill pull" and there will be a "hatful of money" for those who stand by the movement were extracts from letters written by Dr. Francis E. Townsend, author of the old age pension plan, to his former colleague, Robert E. Clements, it was disclosed at the congressional hearing in Washington. Townsend, facing a barrage of questions fired by members of the committee, which is headed by Congressman Jasper C. Bell of Missouri, denied having amassed a fortune and disclosed that he hoped to raise a \$2,000,000 trust fund to finance the Townsend movement.

F. D. R. URGES LEHMAN TO RUN

**Roosevelt Repeats Hope
Lehman Runs For
Reelection**

Washington, May 22.—(U.P.)—President Roosevelt today repeated and emphasized the hope that Gov. Herbert H. Lehman of New York State would reconsider his decision to retire from politics and stand again for reelection in the fall.

The state needs him, Mr. Roosevelt told newspapermen a few minutes after Edward J. Flynn, secretary of state for New York and Democratic leader of the Bronx, had completed a discussion of the political situation with the President.

As Flynn left the executive offices he said that he was fully confident that Lehman, in spite of his declaration that he was not a candidate for the gubernatorial nomination, would again be chosen by the state convention when it meets in September.

"Do you think he will accept?" Flynn was asked.
"The people want him," he replied.
Meanwhile, Mr. Roosevelt made plans to depart tonight for Hyde Park, N. Y., where he will spend the weekend at the summer White House. While he has no engagements listed, there was the possibility that Lehman might motor down from Albany for a conference. The President also has put his approval on plans to leave Washington June 8 for Texas to remain away until June 15.

At his press conference Mr. Roosevelt said that if congress adjourned by the sixth, his departure

would be the eighth and if congress does not adjourn but takes a three day recess he also will leave on that date.

A tentative schedule calls for a visit to Arkansas June 10, arrival in Texas June 11, and on the 12th going to Dallas for the Texas Centennial celebration and to Fort Worth. The night of the 12th he will spend with his son, Elliott, at Fort Vincennes, Ind., arriving there the following day to participate in the George Rogers Clark Memorial dedication.

Asked concerning his proposed visit to Canada, Mr. Roosevelt said that he hoped to go some time but that no date had been fixed.

From a discussion of his trip, the president turned to answer a query about Dr. Francis E. Townsend. He said he has no engagement to see Dr. Townsend but added that if Dr. Townsend wanted to see him, he would be glad to.

Bells for Cats Urged
Kenton, O.—(U.P.)—It won't be bells on the fingers or bells on the toes but tabby may be required to wear a bell around its neck if the resolution forwarded to the state legislature by the Hardin County More Game Association, urging that every cat in Ohio be compelled to wear a bell, is adopted. Sportsmen said the warning provided by the bells would protect young wild life.

"Scanties" of 1879 Criticized
Vancouver, Wash.—(U.P.)—Perhaps it is a mistaken idea that lighter underwear for women is a present-day tendency. A copy of the Portland Daily Bee of March 12, 1879, which has just been found, contains the following observation: "Ladies ought to wear warmer flannel under clothing than they do now if one may judge from the articles one sees hanging in the show windows of the shops."

MAY CALL NEW G. O. P. MEET

**Irwin Will Not Recognize
Eighth District
Election**

Indianapolis, May 22.—(U.P.)—A new meeting of the Republican state committee will be called if requested but yesterday's "rump" meeting in the eighth district will not be recognized, Don Irwin, Frankfort, state party chairman, said today.

A new meeting of the state committee is planned by a faction headed by Ralph Gates, Columbia City, attempting to oust Irwin from the state chairmanship.

Irwin retained his post in the regular biennial party reorganization last week only by voting for himself to break an 11 to 11 tie between himself and Gates.

Eight district representatives did not participate in the balloting. The committee decided the district chairmanship and vice chairmanship had not been legally decided.

Gene Scamahorn, Rockport, and Mrs. Tom Groves, Huntingburg, who claimed victory in the first district meeting, were re-named by acclamation in yesterday's meeting at Boonville.

Only 12 of the 20 county chairmen and vice chairmen in the district participated in the meeting, however. Irwin rejected results of the meeting on the ground the state chairman is the only person empowered to call a special district election.

Those attending the Boonville meeting were:
Posey county: Mrs. Clarence Walker, vice chairman.
Vanderburgh county: Judge Edgar Durre, chairman, and Mrs. Mrie Stone, vice chairman.

Pike county: Guy Wilkins, chairman, and Mrs. George Gladdish, vice chairman.

Spencer county: Dr. S. W. Studeville, chairman, and Mrs. Tina Miller, vice chairman.
Perry county: Thomas Leshner.
