Those present were Marguerite Kiteon, Louise Bristol, Mary Louise McCoy, Alice and Norma Jean Tumbeson, and Margaret Moses, and the leaders Miss Helen Bohnke and Mrs. Pauline Moses.

The meeting was opened by singing the club song and repeating the 4-H pledge and motto. The record books were distributed and explained. During the social hour games were played and delicious refreshments were served by the hostess, Marguerite Kiteon.

The next meeting will be held Thursday afternoon, June 11, at 1:30.

The Kirkland Minnehaha girls' 4-H Club met on June 2 with their leaders, Mrs. William Griffiths. The roll call was answered by a good joke. A demonstration was given on how to make a panholder by Mary Bieberich and Phyllis Beineke.

Following the sewing period a social hour was enjoyed. Twenty-three members were present. Delicious refreshments were served by Mary Born, Delores Worden, and Mary Bieberich.

WEED MEETINGS ARE HELD HERE

Three Weed Demonstrations Given In County Monday

O. C. Lee, extension specialist of Purdue University, and County Agent Aftchold held three weed demonstrations Monday.

The first meeting was held on the Dan Ruple farm and spreading dry chlorate in Canada thistles was demonstrated. The second meeting was held on the Albert Ryf farm in Monroe township when dry chlorate was applied to the European bind-weed. The third meeting was held on the old Hocker farm just south of Monroe where chlorate had been applied in varying amounts last year. The results of these applications show that chlorate applied at the rate of 300 pounds per acre or more is 100 per cent effective in killing bind weed.

These meetings were well attended, and it was considered significant by the leaders that fully one half of the people either brought bind-weed in for identification or stated that they knew

they had this weed pest on their farms. This weed has become widespread in the last few years and it is more difficult to eradicate than the Canada thistle.

4-H CLUBS TO SPONSOR SHOW

4-H Club Of County Plan Activities During Centennial

That the young people of Decatur and Adams County are interested in the Centennial celebration is evidenced by the preparation that the 4-H clubs of the county, under the direction of Mrs. Helen E. Mann county club leader, are making for their annual 4-H club show.

This show will be held the week of the Centennial Celebration in Decatur. The young people are planning exhibits of the work in the different projects offered in the 4-H club. Special interest this year is being shown in the boys' work.

There will be exhibits in connection with the dairy calf club, garden clubs, pig clubs, poultry club, and field crops. The girls will have exhibits in clothing, canning, baking food preparation, and room improvement.

The junior leaders of the 4-H clubs are planning an evening's program or community recreation as their special part of the exhibit.

WOMAN vs. WOMAN FOR LOVE OF A MAN

Ardeth Carroll was a business girl, entirely on her own; and Cecile Parker was wealthy and had every luxury at her command, but the two were equal before the altar of love, and it was woman against woman for the heart of Ken Gleason. The silent struggle between these proud modern women, with Ardeth pitting her beauty, her wit and her courage against Cecile's wealth and influence, makes one of the most thrilling love stories ever published. "Girl Unafraid" is an outstanding serial novel of the year, and this is its first publication.

Gladys Johnson's Supreme Love Story "GIRL UNAFRAID"

Gladys Johnson never fails to grip her millions of readers with her stories, and this is her supreme novel.
