THE VIENNESE ROOF ATOP THE FAMOUS ST. REGIS HOTEL IN NEW YORK
duplicates the resplendent ballroom of the Imperial Summer Palace in Schönbrunn, Austria. A model of decorative taste and justly famous for the excellence of its choice dishes, The Viennese Roof is a favorite rendezvous of those who wish to escape from the summer heat and enjoy themselves in cool and charming surroundings. Here at the St. Regis, as at other fine dining places from coast to coast, Camels are the preferred cigarette. "Our patrons understand the art of dining well," says Lawrence, deft *maitre d'hôtel* of The Viennese Roof. "You can see Camels on nearly every table. They certainly are the most popular cigarette at The Viennese Roof."

CHAMPION DIVER. Mickey Riley says:
"Camels help my digestion. I enjoy them
at my meals and afterwards. Boy, Camels
have a great taste!" Camels never get on
your nerves—never tire your taste.

AS EVERY Camel smoker knows, Camels at mealtime help
to create a cheery sense of well-being. You eat with relish
—digest with greater ease. Camels increase the flow of diges-
tive fluids...alkaline digestive fluids...in a pleasant way.

Like Frank Buck, Lee Gehlbach, Mickey Riley, Bill Tilden,
Tony Manero, Willie Hoppe, and millions of other discrimi-
nating smokers who prefer Camels and recommend them, you
too will find Camels an enjoyable aid in easing the tension of
modern life. With their "lift"...their aid to digestion...and
their mild, rich flavor, Camels do indeed set you right!

Each Camel at mealtime adds its measure of cheer
...stimulates digestion...increases alkalinity. So—

And they don't frazzle
my nerves."

York Again Hits Liquor Traffic

Columbus, Ind., Aug. 10.—(UP)—
Impaired health and an increased
traffic death toll were cited yester-
day by L. E. York, superintendent
of the Indiana Anti-Saloon League,
as results of "unbridled liquor traf-
fic."

Addressing the congregation of the
First Baptist church here, York
charged the liquor traffic had
been able to hold out this long
against its attackers because of
its "money and political influence."

The electorate, witnessing the
alleged disregard for the public's
health and safety, will repudiate
the control now held by the liquor
interests, York concluded.
