Tuesday, Sept. 14
FAMOUS CLOCK AT STRASBOURG ON 99th YEAR

Wednesday, Sept. 15
Strasbourg —(UP)—The astronomical clock of Strasbourg Cathedral which has attracted more than 5,000,000 visitors to the city during its career, will celebrate its 100th anniversary next year.

Thursday, Sept. 16
Started in 1838, the famous clock

Friday, Sept. 17
tells the time of day, indicates religious and civic festivals the hours at which the moon and sun rise and set, eclipses, and the average revolution of each planet.

Saturday, Sept. 18
Allegorical personages figure in the action of the clock and at noon visitors come to see the Twelve Apostles appear and kneel at the feet of Jesus Christ while the clock crows three times.

Sunday, Sept. 19
The present clock is considered a mechanical masterpiece, and is the third to be erected on the cathedral. The first clock, begun in 1352 was used for 200 years and in the latter 16th century a second astronomical clock replaced it, remaining in use for more than 300 years.

Monday, Sept. 20
Indian Chief Is "Alien"

Tuesday, Sept. 21
Fall River, Mass. (UP) — Chief Black Hawk, a full-blooded Powhatan Indian, was dropped from the WPA during a drive on "aliens." The chief, known as Robert H. Clark, was teaching archery and Indian arts and crafts to children.

Wednesday, Sept. 22
Trade in a Good Town—Decatur

Thursday, Sept. 23
Noble County Infant Dies Of Poisoning

Friday, Sept. 24
Kendallville, Ind., Aug. 30 —(UP)—Two-year-old Freddie Lee Stabe, son of Mr. and Mrs. Harold Stabe of near here, died today after eating strychnine capsules intended for cattle.

Saturday, Sept. 25
The baby crawled from his high chair onto a work bench and finding the capsules, ate several of

Sunday, Sept. 26
them. An antidote was administered too late to revive him.

Monday, Sept. 27
tells the time of day, indicates religious and civic festivals the hours at which the moon and sun rise and set, eclipses, and the average revolution of each planet.

Tuesday, Sept. 28
Allegorical personages figure in the action of the clock and at noon visitors come to see the Twelve Apostles appear and kneel at the feet of Jesus Christ while the clock crows three times.

Wednesday, Sept. 29
The present clock is considered a mechanical masterpiece, and is the third to be erected on the cathedral. The first clock, begun in 1352 was used for 200 years and in the latter 16th century a second astronomical clock replaced it, remaining in use for more than 300 years.
