CHINA TROOPS

(CONTINUED FROM PAGE ONE)

Chinese artillerymen scored direct hits on the Japanese navy headquarters area of the Hongkew section, which is the Japanese controlled section of the International settlement, and their anti aircraft guns brought down a Japanese bombing plane near Tazang.

It was apparent that for the moment an advance of the Japanese infantry was impossible, and the artillerymen took on the duel.

While the Chinese poured shells into the Hongkew area and the Japanese lines north of the city, Japanese artillery and naval guns centered their fire on the Chapel area and Pootung, across the Whangpoo river from the international settlement.

The Japanese raised a captive balloon in the Lihuang area to direct their artillerymen.

rect their artillerymen.

A Japanese spokesman, somewhat less jubilant than were Japanese spokesmen yesterday, admitted that his men have been stopped all along the Lotien-Kiating highway, their principal objective which is toward the center of the north-south line extending from the mouth of the Yangtze river to Shanghai proper.

It was the same in the Shanghai sector, where Japanese navy men had charge of the offensive. The Japanese spokesman admitted there was no change in the lines there.

A Chinese spokesman said that all Japanese attacks had been repulsed in the Lihuang and Kiang-

wan sectors. He said the Japanese seemed to be re-establishing their lines in the Shanghai sector for a new attack.

The American consulate general and American navy authorities announced today that the navy transport would sail for Kobe, Japan, October 19 and that then navy evacuation of American citizens would end, as the Chaumont would proceed to regular duties.

Rensselaer, Ind., Oct. 4—(UP)—Jasper county authorities today held two men for questioning in the

The men held are John Snercke, 50, and Onfre Blizec, 55 both of whom live on the Kankakee river in the vicinity of Renn's Cabin. Officers said Snercke was carrying a gun containing five discharged cartridges when arrested yesterday. Snercke and Blizec gave him the gun, officers said.

Rev. Coughlin To Return To Radio

Royal Oak, Mich., Oct. 5—(UP)—Rev. Charles E. Coughlin, announcing his return to the radio in weekly Sunday sermons, was on record today as hoping the appointment of Justice Hugo L. Black would be a monument to President Roosevelt's "personal stupidity."

"It is my hope," the radio priest added, "that Justice Black lives to be 200 years old and occupies a seat on the supreme court until his death."

In his future radio sermons, the priest said he would not fail to discuss so-called political and economic questions upon which morality has a bearing. He said such questions will deal with exploitation of the poor, concentration of wealth and systems of economics "which enable these abuses to thrive."

Coughlin said he would return to the air Oct. 31 for a period of 26 weeks.
