GOPHERS SHOW TRUE STRENGTH VS. WOLVERINES

Minnesota Finally Comes To Life With 39-6 Triumph Saturday

Chicago, Oct. 18. — (U.P.) — The rumble of Minnesota's golden horde spread over the Big Ten with a vengeance today after two weeks of bitter disappointment which apparently had spelled an end to the record football cycle of the mighty Gophers.

Fired by a do-or-die spirit seldom needed at Minnesota, the Gophers rolled over a stout Michigan squad, 39 to 6, and climbed back to their familiar station as favorites for the conference championship.

Northwestern clung to its share of the lead with a shaky victory over Purdue, 14 to 7, but the champion Wildcats must face Ohio State this week while Minnesota, jubilant over its comeback, will have a week of rest to smooth over the last of the sluggishness which had it in a rut.

Michigan meets Iowa at Iowa City in the only other conference game.

Indiana, victor against Illinois, 13 to 6, will journey to Cincinnati and Wisconsin opens the suicide half of its schedule at Pittsburgh.

Navy's invasion of Notre Dame will be the premier attraction in the middlewest despite Notre Dame's scoreless tie with Illinois and the 9 to 7 licking at Carnegie Tech last week.

Minnesota found itself in the second period against Michigan. Six points behind in the battle for the little brown jug, the Gophers rallied under Little Andy Uram, who later broke his wrist, and punched over two touchdowns in each of the final three quarters.

Rudy Gmitro, operating at quarterback instead of his old job at right half, directed the team through its touchdown barrage and scored twice himself. Two sophomores—fullback Marty Christianson and Harold Van Every, a half-back—stepped into the parade.

CHICAGO BEARS DEFEAT CARDS

Bears Remain Undefeated; Green Bay And Detroit Win

By United Press

The Washington Redskins climbed above the Brooklyn Dodgers into second place in the eastern division of the national football league today. Only other change in the standings was in the western group where Green Bay ousted the Chicago Cardinals from third place.

The Redskins came from behind to score four touchdowns in the last half and defeat the Pittsburgh Pirates, 34-20, before 13,000 fans at Washington while the Dodgers were taking a 30-0 shellacking from the Lions in Detroit where 19,000 spectators turned out.

Green Bay walloped Cleveland 35-10 to overtake the Cards who were beaten, 16-7 by the Chicago Bears, western division leaders. A crowd of 23,000 saw the Bears chalk up their fourth straight win. The New York Giants whitewashed the Philadelphia Eagles, 21-0, before 28,000 fans to retain the lead among the easterners.

National league standings:

Eastern Division			
	W	L	T
New York	3	1	0
Washington	3	2	0
Brooklyn	2	3	0
Pittsburgh	2	4	0
Philadelphia	1	5	1

Western Division			
	W	L	T
Chicago Bears	4	0	0
Detroit	4	1	0
Green Bay	3	2	0
Chicago Cardinals	3	3	1
Cleveland	1	5	0

This week's schedule: Sunday—Brooklyn at New York; Washington at Philadelphia; Cleveland at Green Bay; Detroit at Chicago (Bears); Chicago (Cardinals) at Pittsburgh.

With only five days to recover from their gruelling battle with Central Catholic of Fort Wayne, the Decatur Yellow Jackets will meet the Columbia City Eagles at Worthman Field Wednesday night.

The game was scheduled for the mid-week date because of the annual teachers' institute, which will be held at Fort Wayne Thursday and Friday. Wednesday night's kickoff is scheduled for 8 o'clock.

The Columbia City tilt will be the fourth northeastern Indiana conference game for the Yellow Jackets, who have failed to chalk up a conference victory this season. The Jackets have lost to Bluffton, Auburn and Central.

Columbia City has lost all six starts this season, but showed decided improvement last Friday night, when they held the Bluffton Tigers to a 6-0 victory. The Eagles have lost to Huntington, Warsaw, Auburn, Garrett, Plymouth and Bluffton.

The Yellow Jackets, after getting away to their poorest start in several years, have shown splendid improvement in their last two starts, scoring a 19-0 victory over Portland October 8, and holding Central Catholic of Fort Wayne to a 6-0 score last Friday night.

Decatur's line held up well against a heavier C. C. squad Friday night, while the Jackets' backfield showed flashes of power, although unable to develop a consistent punch when scoring opportunities presented.

Football's suggestion to carry blankets to the game went over in a big way Friday night. Blankets of brilliant, varicolored hues were conspicuous at the C. C. tilt. Right now, looks as though goshaws and slickers may be the proper raiment for Wednesday night's contest.

Results of college games played to date have the expert forecasters pretty much in a pickle. Just look: Notre Dame, outgaining Carnegie Tech by a tremendously large margin, yet losing, 9 to 7; Indiana, with the smallest squad in the conference, outplaying Illinois to win, 13 to 6; Pittsburgh, potential national champs, again held to a scoreless tie by Fordham; Nebraska, conqueror of Minnesota, held to a scoreless tie by Oklahoma. Could go on and on, but other surprises undoubtedly are in store before the season's

end.

to the Colorado relief problem

"America is taking to trailers, and while most of those listed in surveys at the present time are owned by vacationers who are in the higher economic bracket, the indigent or near indigent soon may be on trailer wheels," Kouns said.

He cited statistics showing the increase in the number of trailers in the nation from 20,000 in 1935 to more than 200,000 this year.

"It is estimated that a million persons are living in trailers the year round. Two expert observers have estimated that within 20 years the trailer will be housing from 30 to 50 per cent of the population of the country."

While indigent trailer families are a problem to Colorado at present, Kouns said there is a definite threat that they may become a serious problem in the future unless care is exerted in guarding against a wholesale influx.
