STATE SERVICE AIDS EMPLOYERS

Fort Wayne Area Employers Hired 609 During January

Fort Wayne, Ind., Feb. 16. — "Fort Wayne area employers hired 609 persons during January of this year through the facilities of the Indiana state employment service," stated Wallace P. Studencki, district manager, in his survey of monthly activities. He pointed out that this was a 263 per cent increase over the January, 1938 figure of 232 and that the increase, though partially brought about by the upswing in industrial activity, was largely due to the ever increasing consciousness on the part of employers of the advantages in procuring employees for their replacements and additions through this modern and more efficient method.

Mr. Studencki states that, during January, 1,307 men and 553 women placed their applications for employment with the Indiana state employment service for the first time. He says, "this makes a pool of labor supply available to northeastern Indiana employers totaling 22,083 individuals with skills in over 3,000 different occupations."

The Fort Wayne district, with the district office located at 510 South Clinton street, Fort Wayne, and branch offices in Huntington

and Auburn, also services the nine northeastern Indiana counties with part-time offices in Angola, Kendallville, Ligonier, Columbia City, Bluffton, Decatur, North Manchester, and Wabash.

41,012 persons contacted these offices on business in January; and, during this same period, staff members called on 348 firms and business establishments to acquaint them with the services available through the Indiana state employment service offices.

FARMER ADMITS

(CONTINUED FROM PAGE ONE)
showed the victim five years ago invented an air motor and that he had turned down offers of several thousand dollars for patent rights.

Roach, with his wife and three children, lived on a meager WPA salary. Sheriff Dunbar attributed the slaying to an old feud between Pierce and Roach. He said the two had been fighting back and forth for years about fences, water gaps, wood "and everything else." The confession, Dunbar declared, corroborated the long-standing grudge between the families.

The crime occurred in Indiana's unincorporated quarry district. Pierce will be arraigned in Lawrence county circuit court on a first-degree murder charge, Dunbar said.

3 MURDERERS ARE EXECUTED

Trio Hanged For \$20 Murder-Robbery In Manitoba, Canada

Winnipeg, Man., Feb. 16.—(UP)—Three murderers marched single file to a gallows at Headly prison today and were hanged, two simultaneously, for beating to death a woman during a robbery which netted them \$20.

William Kanuka, 41, and Peter Morezenowski, 29, dropped through the trap together after bidding brief "goodbyes" to official witnesses and a scattering of onlookers.

Dan Prytula, 32, was the last to go. He stood on the gallows and murmured, "Goodbye, everyone," as guards placed a death mark over his face. Several spectators answered "Goodbye, Dan," as the trap was sprung.

All were farmers from Dauphin, Manitoba. They held up Mrs. Anna Cottick, 81, at Rishington, near Dauphin, on May 14, 1938, and beat her to death when she resisted. Her husband, Elho, was injured seriously.
